Dear East Jefferson Warrior Families,

Welcome to the 2020-2021 school year! I know that you have many questions and concerns. Hopefully, this letter will be able to address most of them. Rest assured, East Jefferson High School is fully committed to providing our students with a challenging educational environment that will prepare our them to be successful adults.

The district has released a plan for the 20-21 school year. I would strongly suggest that you review this plan in order to be prepared for this school year. The plan is located at www.jpschools.org/startstrong. In addition to the district's plan, East Jefferson has a plan to address our students' needs and successfully opening school for the 20-21 school year.

As our parish continues to be in Phase 2, East Jefferson High School is offering two models of instruction; hybrid or virtual. Hybrid consists of coming to school two days a week and being instructed virtually three days a week. If you choose virtual, you must register with the district by July 22nd. Student will remain enrolled in East Jefferson High School and **attend virtual classes during the school day**. Attendance will be taken during virtual classes and is similar to a regular school day except the student is learning from home.
