experiences.

Our Vision at Golden View: Develop young adults who are well-educated, environmentally conscious, and responsible leaders.

Golden View provides unique learning experiences for students:

- Integration of California's Environmental Principles and Concepts through all subject areas
- Caring For Living Things: Farm animals help children understand life cycles, the reciprocity between animals and humans, and the importance of making responsible choices
- Recycle, Reuse, And Repurpose: Composting, recycling, and repurposing are key to going green at Golden View
- Farm To Table: Children plant, tend, harvest, and cook nutritious food using natural ingredients from our garden
- Gifted and Talented Education program
- After school Nature Club, Chess Club, Cooking Club
- 1:1 technology for all grade levels
- Art Explorers and 4th & 5th grade music & visual art
- Environmental Science Showcases

Fun Family Events:

- Holiday Shop
- Movie Nights
- Book Fairs
- Skate Nights
