

Our students thrive and achieve in a dynamic, inspiring learning environment that empowers them to be responsible, creative individuals in school and beyond.

How Does VAPA Benefit Your Child?

- Encourages creative thinking
- Boosts self-esteem
- Teaches problem-solving strategies
- Enhances literacy
- Develops collaborative and teamwork skills
- Builds appreciation of customs and cultures
- Assists with exploring challenges and ideas
- Builds capacity to appreciate differences
- Opens broad range of career opportunities

Why Choose Westmont?

Our VAPA curriculum is integrated into a rigorous academic program, which is enhanced by collaborations and grants from prominent education and arts programs, including Disney Musicals in Schools.

Students explore visual arts, theater, music, dance, and band (upper grades). Our award-winning staff provide the latest techniques in arts education.

Westmont Visual and Performing Arts School

Dream. Create. Innovate.

VAPA Components

VISUAL ARTS

Each student works at a personalized pace to learn and develop self-expression and self-confidence. Students learn to observe, use their imaginations, and create.

MUSIC

As part of weekly music classes, all students in Transitional Kindergarten through fifth grade develop listening skills, sing age-appropriate songs, use hands-on rhythm instruments, and build vocabulary while learning to read music notation.

BAND (UPPER GRADES)

As part of our unique elementary band program, fourth and fifth grade students can learn to play flute, clarinet, alto saxophone, trumpet, trombone, baritone, or percussion twice per week during school hours. Musical instruments are loaned free of charge. Students showcase their work throughout the year.

KEYBOARDING - ST MUSIC

Our ST (Spacial Temporal) Music program improves mathematical thinking. Students in grades 1-5 learn to read sheet music and play the piano, all while having fun!

DANCE

Students in Transitional Kindergarten through third grade participate in weekly dance classes, working collaboratively and performing as an ensemble or as a feature performer in various dances. Students also have the opportunity to participate in free afterschool classes, such as hip-hop and tap.

DISNEY MUSICALS IN SCHOOLS

Westmont is part of the Disney Musicals in Schools program. Each year, fourth and fifth grade students collaborate to perform a full-scale production of a Disney Musical. Our young actors gain self-esteem by learning musical expression, theatre vocabulary, and stage direction.

“

I like getting the opportunity to do everything in the arts and see what my talents and abilities are.

Arianna, 5th grade
