Behavior Expectations

Behavior and school climate is a priority at Marine View Middle School. The Mariner staff believes that all students can behave in a safe and appropriate manner. We encourage students to respect themselves and others and to be accountable for their behavior.

Marine View Middle School implements a Positive Behavioral Interventions and Supports (PBIS) framework for assisting with adopting and implementing behavioral expectations and interventions to maximize academic and behavioral outcomes for all students. PBIS emphasizes school wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments.

The staff at Marine View is dedicated to guiding students by rewarding acceptable and exceptional behavior and assisting students in changing inappropriate behavior through consistent guidance and appropriate consequences.

The philosophy of the discipline program is as follows:

1. The goal of addressing inappropriate behaviors is to change the behavior while maximizing class time and continuing to include the student in our class and school community.
2. All students can behave appropriately if they are explicitly taught behavioral expectations and pro-social behaviors.
3. Each student must accept responsibility for his or her own behavior.
4. Students contribute to the creation of a positive learning environment
5. Parents have the obligation to participate in and support the school's discipline program, while preparing their child to demonstrate S.A.I.L (seek, achieve, include, learn) to success each day.

Attendance Policies

Marine View Classes begin promptly at 8:00AM and students may not arrive prior to 7:40. To report an absence, please call our attendance line at 714-596-7086 or email jpolk@ovsd.org by 9 am, the morning of the absence

ATTENDANCE

Regular attendance is important to each student's education and a vital factor in academic success. Therefore, students are expected to come to school on time on all days they are able. If a student is simply not feeling well, and is not sick from a strong cold or fever, he/she should attend school. Student supervision begins at 7:40 AM daily, therefore, students are to be on campus **no earlier than 7:40 AM**. Students are expected to remain on campus and in their assigned classes during school hours. Students not in their assigned area of campus are considered Truant. Students are to leave the campus immediately following dismissal unless participating in a school-approved function. Students are considered to be under the jurisdiction of the school from the time they leave their home in the morning until they return home that afternoon.

All absences require verification from the parent or guardian. All students returning from an absence which has not been verified must bring a note to school upon their return. This note must state the following: absence date(s), reason for absence, name of student and parent signature.

Students who have been to a medical, dental, optometric, or chiropractic appointment **MUST** provide a note from the doctor in order for the absence to be excused. When a student has had 10 absences in the school year for illness verified by a parent, any further absences for illness shall be verified by a physician.

Please note that missing 30 minutes or more of class time at any point during the school day requires an absence verification.

Excused Absences are absences due to illness, medical, dental, optometrical, or chiropractic appointments, court appointments, attendance at the funeral service of an immediate family member, quarantine under the direction of a county or city health officer, and observance of a religious holidays.

Unexcused Absences include personal reasons, vacation trips, shopping, transportation breakdown, family celebrations, missing the bus, and oversleeping.

Students who leave school early Appointment verification must be given to the office for the absence to be excused.

Students may not participate in after school activities on the day of an absence. These activities include but are not limited to dances, sporting events, extracurricular activities, and field trips. Students are held accountable for all assignments and lessons given during absences.

TARDIES

Students who are not in class by the time the bell is finished ringing are considered tardy. Students who are tardy must go to the office and complete a tardy form. The yellow portion of the form should be shown to the student's teacher prior to being admitted to class. Oversleeping, missing the bus, returning home for something the student forgot, traffic, etc., are **NOT** excused. Marine View semester tardy policy is as follows:

MORNING TARDIES (tardies to advisement)

- 1st Tardy: Warning
- 2nd Tardy: Parent contact and Warning
- 3rd Tardy: Referral and Detention
- 4th Tardy: Referral and Detentions

PERIOD TARDIES (for each individual class)

Students who are not in class by the time the bell is finished ringing are considered tardy.

- 1st Tardy: Teacher Warning
- 2nd-3rd Tardy: Parent Contact and Warning
- 4th Tardy: Referral and Detention

Each tardy thereafter may result in detentions during nutrition and/or lunch or after school detentions.

Students who are habitually tardy or truant may be referred to the School Attendance Review Board (SARB)

ATTENDANCE INTERVENTION

Attendance intervention is used with families of students with excessive absences/tardies. The school will first use its own resources to correct student attendance problems. These may include conferences with an administrator, detentions, or a School Attendance Review Team (SART) contract. The school will notify families of attendance concerns through Attendance Letters when students have accumulated 5 and 10 excused absences or 3 and 5 unexcused absences in one school year. Students with patterns of poor attendance that the school cannot correct are referred to the School Attendance Review Board (SARB) where District representatives along with the school administrators will create a contract to assist the student in improving attendance.

Failure to improve student attendance could lead to a student change of school placement or criminal consequences.

INDEPENDENT STUDY

We ask that you bring your student to school on time each day and plan family vacations during school vacation days. If time away from school is unavoidable and students are expecting to miss a minimum of five consecutive days and a maximum of ten days of school, the parent should contact the front office 2 weeks in advance. The student will receive an Independent Study Contract so that the student's academic program is not interrupted. Upon successful completion of the work as assigned in the Independent Study, the absences will be recorded as "excused". If the work assigned is not completed or not completed satisfactorily, the student's absences will be recorded as "unexcused".

WITHDRAWAL OR TRANSFER OF STUDENTS

The parent or guardian of the student who is withdrawing or transferring should come to the school office stating where the student is moving, the last attendance date, and if known, the school the student will attend. A clearance sheet must be signed by the student's teachers and the librarian, and returned to the office prior to leaving the school. All property must be returned before a transfer card will be issued by the office.

Transportation

BICYCLES, SKATEBOARDS AND SCOOTERS

Students may ride bicycles, skateboards and scooters to school as long as they do so in a responsible manner. Skateboards, scooters, and bikes are not permitted for use on school property before, during, or after school hours. In addition, they are to be walked across the crosswalks. State law requires all students to wear helmets securely fastened on the head. The Huntington Beach Police Department may issue fines for violations. All bicycles, skateboards and scooters must be locked to the racks in the designated enclosures. Gates are locked at 8:00 a.m. and opened again at 2:25p.m. Every precaution is made to ensure the safety of student property parked on school grounds during the school day. However, the school cannot be held financially liable should bicycles, skateboards or scooters be damaged or stolen. Gates are not locked after school hours so student property should not be left overnight.

BUS TRANSPORTATION

To help ensure student safety Ocean View School District expects students to exhibit appropriate and orderly conduct at all times when using school transportation, including while preparing to ride, riding, or leaving the bus. Students may be denied the privilege of riding the bus due to disorderly conduct or defiance behavior on the bus.

Students must present an approved school bus pass upon loading the bus from school and scan the pass as they get on and then again as they get off the bus.

These are issued by the school upon completion and approval of a district bus application. Students desiring to leave the bus at other than their regular destination must have prior written approval from parents and a temporary bus pass from the office. No pupil may ride a bus other than his/her assigned bus without first presenting a written note from a parent to the school office, who will issue a temporary bus pass upon approval. There is a \$10.00 replacement fee for lost or damaged bus passes. A referral is issued for a violation of the bus rules. Referrals may result in disciplinary action including detention or suspension as determined by the principal, assistant principal and Director of Transportation. Students must bring the referral back to the school office signed by his/her parents before the student may resume riding the bus. Students transported in a school bus shall be under the authority of, and responsible directly to, the driver of the bus. The driver shall be held responsible for the orderly conduct of the students. (5 CCR 14103) According to the State Education Board, Section 1085, "pupils transported in a school bus shall be under the authority of the driver of the bus. Continued disorderly conduct, or persistent refusal to submit to the authority of the driver shall be sufficient reason for the pupil to be denied transportation."

Academics

CITIZENSHIP & WORK HABIT GRADES

Students' academic performance is directly related to student work habits and behavior. Student work habits and behavior should always enhance the learning environment. Therefore, a student's work habit and citizenship marks are reflective of multiple/chronic characteristics as defined by the following:

HOMEWORK

The goal of homework is to develop student self-discipline, responsibility, and lifelong learning habits. Homework is intended to be a purposeful, meaningful extension of classroom instruction leading to increased student achievement. Homework should not exceed approximately 10 minutes per grade level per day, and is expected to be completed independently by the student. Staff also encourages 20 minutes a day of recreational reading. The staff recommends that each child have a consistent daily study time at home. A quiet, well-lit place should be set aside to work on his/her assignments. **Parents should examine this Student Planner each evening to check their child's assignments.**

Teachers communicate homework expectations and how it relates to their grade in their course and grading description. Assignments are communicated with families using one or more of the following methods:

- Student Planner
- Aeries Portal
- Websites/Apps
- Monthly, chapter, or unit assignment sheets

MAKE-UP WORK

Students are given the opportunity to make up all missed assignments and tests that can be reasonably provided because of an excused absence. As determined by the teacher, the assignments and tests shall be reasonably equivalent to, but not necessarily identical to, the assignments and tests missed during the absence. Students shall receive full earned credit for work satisfactorily completed within a reasonable period of time after returning from an excused absence. As a general policy, a student is allowed one day to complete make-up work for each day absent. It is the responsibility of the Student to ask for make-up work.

REPORT CARDS AND PROGRESS REPORTS

Report cards and progress reports are made available after each grading period on the Aeries Portal (portal.ovsd.org). If parents choose to have them mailed, they are sent approximately one week after the end of each grading period.

TEXTBOOKS

All basic texts are issued to the students for their use during the school year. Textbooks are also available online through Clever. In accordance with Education Code 48904, the principal may withhold records, transcripts, grades, and diplomas of any student who willfully cuts, destroys, or otherwise does not return district property issued to him/her until the damage or loss is paid. The school may also remove the student from extra-curricular/end of year activities until their debts are paid. Parents should be aware that they are responsible for textbooks given to their child, and will be required to pay for lost or damaged textbooks. In addition, library books checked out and not returned will result in consequences, which may include exclusion from end of the year activities.

Academics Continued

PHYSICAL EDUCATION REQUIREMENTS

Physical Education is an important part of each student's education and required under the California Education Code Section 51210. The adopted course of study shall include instruction, with an emphasis upon the physical activities for the pupils that may be conducive to health and vigor of body and mind, for a total period of time of not less than 400 minutes each 10 school days. The California Education Code does not provide exemptions for PE instruction in middle school. All students are required to dress in school-approved PE attire every time class meets. The PE uniform includes:

- School PE Shirt & Shorts or Leggings
- Socks
- Athletic Shoes

Lockers are available to students to hold PE attire during the week and to lock up valuables during PE class. Students are responsible for providing their own locks and for keeping their PE uniforms clean and mended.

Students are to keep their PE lockers locked at all times. Students are not to give their combination to anyone or ask anyone for their combination. Any loss of property during PE is the sole responsibility of the student, not the school.

LIBRARY

All students have access to books from the school library. The library is open to students Tuesday through Friday during nutrition and lunch. When classes are in session, students may use a pass from a teacher to enter the library. Students are expected to demonstrate appropriate behavior in the library and any inappropriate behavior may result in loss of library privileges. Students are responsible for materials checked out. All lost materials will be charged to the student. In addition, library books checked out and not returned will result in consequences, which may include exclusion from end of the year activities.

ACADEMIC HONORS AND AWARDS

Academic achievement is the most important goal of Middle School. Outstanding work is recognized in all curricular areas. To qualify for an academic award, students must meet the following:

- No more than one "N" mark in citizenship
- No "U" marks in citizenship

Semester awards are presented to students at school and the end of year awards are presented in June. The following awards are given:

SEMESTER AWARDS

- Award of Merit 4.0 GPA
- Principal's List 3.5 – 3.99 GPA
- Honor Roll 3.0 – 3.49 GPA
- Outstanding Citizenship

END OF YEAR AWARDS

- Teacher Class Awards
- Full Year 4.0 GPA Awards (GPA could be based on last semester progress report)
- Athletic Awards

ACADEMIC DISHONESTY/CHEATING

Middle School expects students to conduct themselves ethically and honorably. It is expected that the grade a student earns is based upon work that he/she has performed. Academic dishonesty usually involves an attempt by a student to show a level of knowledge or skill that he/she does not possess. Any attempt to shortcut this process undermines the learning process, destroys student integrity, and weakens the trust essential to a positive student/teacher relationship. Cheating is dishonest. It harms you and it harms the other students who do not cheat. We, therefore, will not condone nor will we tolerate any student submitting work or receiving a grade that is not produced solely by the student's own initiative.

Academic dishonesty may result in: a student receiving a grade of "O" or "F," a lowered citizenship grade, parent contact, and/or detention.

Student Activities

AFTER SCHOOL ACTIVITIES

Numerous after-school activities are offered to Marine View students. In order to participate in after school and/or evening activities, students **must attend school for the full day**, except as excused by an administrator. If the event is immediately after school, students may not go home and return. Students are to stay for the entire event. Any student who leaves an event early will NOT be allowed to return under any circumstance. Students must be picked up promptly at the conclusion of a social event.

Our dances are open to Marine View students only, and students must have the prescribed permission slip signed by a parent or guardian in order to purchase a ticket. Dances begin immediately after school and end at the indicated time on the permission slip. Once a student enters the dance, he/she must stay until the end of the dance. We encourage parents to provide transportation from the dances to discourage students from walking home. Parents, please be at school at the indicated time on the permission slip, waiting for your child after each dance.

Health & Safety

HEALTH GUIDELINES

Please keep your child home from school if he/she exhibits any of the following symptoms: (Recommended by the OCDE Health and Wellness Division and Communicable Disease Chart, American Academy of Pediatrics, CA Chapter 4)

- Fever – Any child with a temperature of 100 degrees or more should be kept at home. They must remain at home until they are fever free for 24 hours without medication.
- Colds – A child with a hacking cough or a persistent, runny nose and yellow-green mucus discharge should remain at home.

- Diarrhea – A child with diarrhea needs to be kept at home and may return when he/she has been diarrhea free for 24 hours.

ILLNESS and INJURIES

The School Health Technician or office staff will assist students with basic first aid needs at school. Students feeling ill should report to the health office, before contacting parents. Parents will be notified by school personnel if necessary. Students may not call their parents directly from their mobile phones or leave campus without contacting the office, even when injured or sick.

Parents should be sure to list on the emergency card the names of two adults, other than the parent/ guardian, who can pick up your student in the event the parent/guardian cannot be reached.

It is imperative that you notify the office immediately of any change of address or phone numbers.

MEDICATION ADMINISTERED AT SCHOOL

Medication should be taken at home when possible. If a student must take medication during school hours, the office staff must administer it. Medications, both prescription and over the counter, may be given at school when it is deemed absolutely necessary by the authorized health care provider that the medication be given during school hours. The signed Parent/Guardian And Authorized Health Care Provider Request for Medication, along with the prescription or over the counter medication in the original container labeled with the name of the student, name of the medicine, dosage requirements and the doctor's name must be provided to the school office. Students cannot bring aspirin, acetaminophen (Tylenol), ibuprofen (Advil/Motrin) or any other medication to school on their own. All medication, prescription and over the counter, no matter how routine or harmless it may appear, must be authorized by a health care provider and kept in the school office during school hours. Students may carry inhalers/Epi-pens IF a current Doctor/Parent Authorization form along with a self-carry contract is on file in the health office.

IMMUNIZATIONS

Immunizations needed for students can be found on our district website, ovsd.org, or at your child's pediatrician's office. Personal beliefs exemptions from immunizations are not accepted when students are enrolling in school or reach the next immunization checkpoint at kindergarten and 7th grade. Students not providing proof of needed immunizations may be excluded from school.

LICE POLICY

Ocean View School District Board Policy 5141.33 states that a child with a case of active head lice will be excluded from attendance. The Ocean View School District policy is that all live lice must be removed from the hair before the child can return to class. If you have treated your child for head lice, please bring him/her to the health office where they will be re-examined before returning to class. When there are two or more live cases detected in the same classroom, it is board policy that all students in that class be examined. We also ask that parents/guardians check their child(ren) on a regular basis and if you have detected head lice, please notify the school office immediately. This is imperative to help us control the spread of lice. All calls and discussions are confidential.

INSURANCE

OVSD does not provide student health and accident insurance; therefore information about low cost private insurance is available to each student at the beginning of the school year.

DISASTER PREPAREDNESS

Marine View regularly conducts emergency drills. In the event of an actual disaster or emergency, students will be released directly to parents/guardians or other contacts listed on their emergency card with adult identification. It is important for parents to keep their emergency contact information up to date in Aeries.

It is against the law to falsely pull a fire alarm (Penal Code Section 148.4). Students who pull the fire alarm will be appropriately disciplined.

ALCOHOL, TOBACCO, AND SUBSTANCE ABUSE PREVENTION

The Ocean View School District believes that the use of alcohol, tobacco and other drugs adversely affects a student's ability to achieve academic success and strives to keep schools free of alcohol and other drugs in order to help prevent violence, promote school safety and create a well disciplined environment conducive to learning.

In the interest of public health, it is a violation of Ocean View School District Board Policy number 3513.3 and Administrative Regulation to use any tobacco product or electronic nicotine delivery system, with or without nicotine content, on district property.

VISITATION POLICY

Marine View School has a closed campus policy. Visitors must check in at the office in accordance with Ocean View School District Board Policy. In order to ensure that the classroom visits are not disruptive to the instructional program, the following procedures shall be observed:

PARENT COMMUNICATION

Communication between home and school is not only welcomed at Marine View, but is essential in improving student learning and achievement. School administration, teachers, and staff communicate with parents in a variety of ways. These may include individual parent conferences, AERIES communication, email, telephone calls, letters, notes in this Student Planner, progress reports, report cards, etc. There are times during the year when home-to-school conversations are needed to clarify issues that may arise. In order to facilitate constructive conversations we suggest the following:

1. Contact Teacher: Every attempt to get questions answered and concerns resolved should be made with the classroom teacher. This may be done by email, phone conversation or in a scheduled teacher/parent conference.
2. Contact Assistant Principal/Principal: If a parent's concerns have not been met or further information is needed, contact the assistant principal and/or principal. This may be done by email, phone conversation or in a scheduled meeting.

A strong school/home partnership is vital to the success of all our students. The above process should help both parents and school to address each concern promptly, efficiently and with due process.

PEACHJAR

Ocean View School District uses Peachjar as its District approved flier distribution system. All approved flyers are automatically posted online for parent viewing, thus saving paper and copying costs. Peachjar may be accessed on the school's website by clicking on the peach icon.

PARENT SQUARE MESSAGING (Email/Text/Phone)

AERIES Communications, using ParentSquare as its platform, is the internet-based tool we use to communicate with families across the Ocean View School District. This system enables the District and the school to share important information with parents/guardians about possible emergency situations, activities and events, and student attendance. By accessing their Aeries Parent Portal accounts on the Internet and the ParentSquare App, parents/guardians can choose who has access to important student data and messages, as well as how they prefer to receive this information, whether by email, text, and/or phone. In an emergency situation, Aeries Communication messages will be sent to all families in all three methods of communication.

WEBSITE

The Marine View Middle School website, www.ovsd.org/marine is updated on an ongoing basis. It contains useful information and school events and news. The Ocean View School District website www.ovsd.org also contains useful information.

OFFICE TELEPHONE

Students are not permitted to use the phone in the office, except in an emergency. The following does NOT constitute an emergency: missing books/ assignments, lunches, clothes, equipment, homework, permission slips, or visiting friends. All pick-up arrangements need to be made BEFORE school.

Student Expectations & Progressive Discipline

DRESS CODE

While society reflects a wide range of personal expression in clothing, grooming, and accessories, the quality of student work and student behavior is affected by personal appearance. It is expected that all students wear clothing that is comfortable, clean, safe, and appropriate. What a student wears to school must not present a health or safety hazard or a distraction which would interfere with the educational program. Since it is not possible to include every style, trend, or haircut in the dress code, those items that are not specifically mentioned will be dealt with on an individual basis. Please remember that the rules of dress apply to all school activities wherever they may be held.

1. Clothing, jewelry and personal items shall be free of writing, pictures or any other insignia which is vulgar, lewd, obscene, profane or sexually suggestive, or which promotes the use of drugs, alcohol or tobacco or other illegal activity, or which is deemed inappropriate. Such articles will be held in the school office and loaner clothing will be provided as necessary.
2. Shoes must be worn at all times. Backless shoes or sandals/Crocs are not acceptable
3. Hats and caps may be worn outdoors only. **Hoods shall not be worn at school**; indoors or outdoors.
 - a. Sunglasses and sun hats are permitted pursuant to State Law (E.C. 35183.5) for sun protection. A hat with a brim that provides sun protection is permitted.
4. Clothes shall be sufficient to cover undergarments at all times. Spaghetti straps or strapless shirts and dresses are not allowed. All clothing must cover the back and midriff during all school activities (think raising your hand in class and bending to pick up items). See-through fabric is not allowed. Shorts and pants must fit securely at the waist. Shorts must have at least a three inch inseam and skirts and dresses must be mid thigh in length. Pajama wear is not allowed at school. Students will be notified when dress code policies will not be enforced for Spirit Days.

Students not adhering to the dress code will be asked to wear loaner or PE clothing for the remainder of the day. Repeated violations will result in disciplinary action. Parent support in encouraging students to dress appropriately for school is important. Dress code is enforced throughout the last day of school.

GUM

Gum is not permitted at school. Students chewing gum at school will be given school service (campus beautification) assignments, the second half of their lunch period.

BULLYING/HARASSMENT

Bullying is not acceptable in the Ocean View School District. No individual or group shall, through physical, written, verbal, or other means, harass, bully, sexually harass, threaten, intimidate, retaliate, cyberbully, cause bodily injury to, or commit hate violence against any student or school personnel on the actual or perceived basis of ancestry, age, color, disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sex, sexual orientation, immigration status, or association with a person or group with one or more of these actual or perceived characteristics. This policy applies to all District students and applies to all acts related to school activity or school attendance occurring within a school under the jurisdiction of the superintendent of the school district. Students are encouraged to notify school staff through verbal, written or anonymous means when they are being bullied or suspect that another student is being victimized. Any complaint of bullying will be investigated and students who violate the District's policies on harassment of bullying may be subject to discipline including behavioral interventions, suspension or expulsion.

"Cyber-sexual bullying" is the dissemination of, or the solicitation or incitement to disseminate, a photograph or other visual recording by a pupil to another pupil or to school personnel by means of an electronic act. A photograph or other visual recording that includes a depiction of a nude, semi-nude, or sexually explicit photograph, or other visual recording of a minor, where the minor is identifiable from the photograph, visual recording or other electronic act will fall within the definition of cyber-sexual bullying.

PUBLIC DISPLAYS OF AFFECTION

Kissing, hugging, and/or handholding are not acceptable school behaviors. Parents will be notified and consequences will be issued.

PANTSING

"Pantsing" is not a funny prank, it poses a cruel and humiliating experience for the other students and it is a serious infraction of school rules. Individuals choosing to "pants" another student will be given strong consequences that may include suspension. A conference with parents, teachers, administrator, and a Huntington Beach Police Officer may also occur.

Parents are required to sign the discipline form that their child brings home for each offense to acknowledge the incident.

PROGRESSIVE DISCIPLINE

The Progressive Discipline Policy is a cumulative process extending over the entire school year. Through our Positive Behavioral Intervention and Support structures, students' expectations are clearly communicated in and out of the classroom.

The normal progression of intervention is:

2. Teacher/student conference
3. Teacher consequence/parent contact
4. Referral to the school office
5. Discipline for severe behaviors may not follow the normal progression.
6. School rules are intended to guide students into becoming responsible and productive members of the school and society. Violations of behavior standards are handled through one or more of these interventions:
7. Verbal warning
8. Conference with student
9. Restorative Conversation

11. Notice sent home to be signed by parent
12. Referral to Assistant Principal

The use of cameras, iPods, iPads, wireless earbuds, electronic book readers, electronic games or electronic signaling devices by students on campus is prohibited during school hours, unless such use is part of the instructional program and is authorized by the teacher. If a student brings such a device to school, it must be **turned off** when students enters the gates and shall remain off during school hours.
