We write to inform you that New Leaf Energy, through its Bromka Road Solar 1, LLC affiliate, plans to construct a solar project within your School located at 2001 Bromka Rd, Romulus NY, 14541 (Tax ID: 13-1-02)

We are providing this letter to you as our Notice of Intent to Construct this Solar Project, which commences the sixty-day notice period under Real Property Tax Law § 487(9)(a). The School has sixty days to respond in writing with its intent to require a contract for payments in lieu of taxes, otherwise such project shall not be obligated to make such payments.

We have commenced the development process at the above site and believe it is an excellent location at which to build clean, distributed, renewable energy generation and provide local jobs to and support local businesses within your community.

Thank you for your attention to this letter. If you have any questions about the project, please reach out via my contact information listed below.
