1. Log in to the tool using the information to the left.
 2. Look at plans side-by-side to see how they differ and compare.
 3. Easily estimate out-of-pocket costs based on age and gender for you and any dependents you'd be covering. Or pick from a list of common conditions and medical procedures that relate to you and your family.
 4. Once you've found a plan option you think will work best, print out a summary of that plan or email one to yourself for future reference.

Keep in mind, Plan for Me is designed to help you compare the plans your employer is offering. You'll still need to sign — ^" f 'žf• -š" —%o š ›—" †•ž'†"i• „†• process.
