Pathway Completed: Health Science

How did completing a CTE Pathway prepare you for life after high school—college and career?

Completing the health science pathway helped me figure out if I wanted to pursue a career in health science. I took an EMR class and that helped me realize that that specific field was not exactly what I was looking for. I was able to do an internship at the Sheriff's office and I learned how to communicate with others. I will use this to help me get a degree in criminal justice and hopefully work at the Sheriff's office.

I, Liviya Knowlton, give my permission for CTE to use the above testimonial statement, or portion of the statement, along with a school photo, or other photo provided, in CTE publications and on CTE websites—schools.utah.gov/cte, UtahCTE.org, UACTE.org, and ACTEonline.org, including the Utah CTE social media communities of Twitter, Facebook, blog and the CTE Directions newsletter.
