**Principal's Message**

I want to take a quick second to let you know how proud I am of our Centaurus students this past week. First, our students were great at Prom, and their behavior was exemplary. I always worry a bit about this night, but our students represented themselves and their school incredibly well. Second, students have been wonderful this week during state testing. I know that this can be a stressful week for students, but they have been doing their best and have been a pleasure to work with. I always say that we have the best students of any high school, and this week just demonstrated how true this is.
