The additional topics section of the key ratings page are summary measures of any additional topics your school added to the survey. Given that they are separate datasets (with fewer schools and responses than the core topics), we display these measures in a separate chart.

Grades 3-6: WMS & WPS 2024

Students at WCS were surveyed in March 2024 about their perceptions of their school in terms of Engagement, Academic Challenge, Instructional Methods, Culture, Belonging, and Relationships. In addition, students provided feedback about Student Motivation and Diversity, Equity, and Inclusion.

In order to put student feedback into context, this report compares WCS students' ratings to the ratings from students at **932** other elementary schools across the country.

Compared to other participating elementary schools, WCS's **highest rated themes** were:

- Belonging
- Culture

and the **lowest rated themes** were:

- Academic Challenge
- Instructional Methods

Compared to other participating elementary schools, WCS's **highest rated question** within the key themes was:

- *Are students friendly to you?* (which is in the Belonging theme)

and the **lowest rated question** within the key themes was:

- *Do you like how your teacher treats you when you need help?* (which is in the Relationships theme)

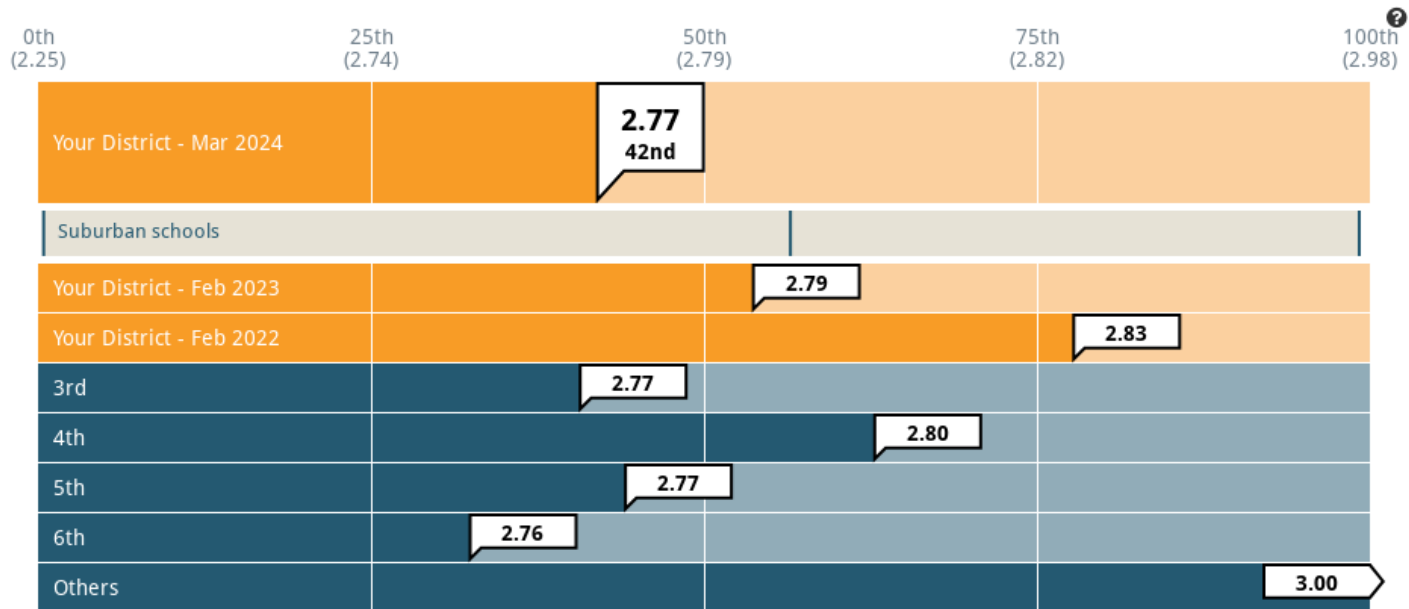

Respondents also provided feedback about Student Motivation. For example, **51%** of respondents responded positively to the question: *Do you do your schoolwork, even if no one tells you to?*

Respondents also provided feedback about Diversity, Equity, and Inclusion. For example, **48%** of respondents responded positively to the question: *Do you see people of different backgrounds in class materials?*
