Middle School Math Teacher (Largo, FL)

Country Day World School in Pinellas County, Florida is now accepting applications for a math teacher position on the Middle School faculty. The World School is a cutting-edge 4th-8th grade program that combines leading technology/learning management systems, robust curriculum and world class pedagogy. The World School is joined by the renowned Country Day Montessori School for Infant through 3rd grade on the beautiful 15 acre Largo campus of Country Day School near Indian Rocks Beach.

JOB DESCRIPTION: This full-time position is an extraordinary opportunity for the right candidate to be an integral part of the Middle School faculty team with significant support and substantial planning time. The position will primarily be teaching pre-Algebra and high-school level Algebra and Geometry to middle school students ranging in ability from grade level to highly gifted. The position will also include participating in STEM project work, enrichments with other faculty, and mentoring students.

CANDIDATE QUALIFICATIONS: Qualified candidates should ideally have several years of experience in teaching high school-level math or advanced middle-school students. In addition, candidates should be comfortable with differentiating instruction and personalizing content in order to best meet students’ needs. As a member of a dynamic middle school faculty, candidates should embrace working collaboratively with colleagues on all aspects of student academic and social emotional success including cross curricular projects and innovative enrichments. Proficiency in the use of technology as a teaching aid and a learning tool is a must. In addition, candidates must possess strong written and verbal communication skills. A graduate degree and teacher certification are preferred but not required.

Compensation is competitive and commensurate with experience.
