

North Branch Area Schools
2024 Improvement Project

Bid Documents

Notice to Bidders

The North Branch Area Schools, 6655 Jefferson, North Branch, MI 48461 will receive proposals from qualified asphalt/concrete contractors for asphalt paving and sidewalk at the North Branch Elementary School located at 4055 Elm Creek Road, North Branch, MI., and for asphalt paving at the North Branch High School located at 6598 Brush Street, North Branch, MI.

All sealed bids must be received at the North Branch Educational Services Center, Superintendent's Office, at 6655 Jefferson Road, North Branch, MI 48461 on or before Wednesday, May 8, 2024 at 2 pm (local time). All bids must be in plain envelopes marked **"NBAS 2024 Improvement Project"**.

Proposals received after the designated date and time shall not be accepted or considered. Evaluation of the proposals and awards by the North Branch Area Schools Board of Education will be at a later date.

North Branch Area Schools reserves the right to accept or reject any or all bids and to waive all irregularities in Proposals. Proposals shall remain firm for forty-five (45) days from the date of Bid Opening. A 5% Bid Bond must accompany each bid submitted. Each bid shall be accompanied by a sworn and notarized Familial Relationship Affidavit in addition to the Iran Business Relationship Affidavit. 100% Performance, labor and Material Bond will be required of the winning bidder.

Any questions regarding school procedures should be directed Mr. Jeff Drayton at (810) 523-6040.

INVITATION TO BID

North Branch Area Schools will accept sealed bids for **NBAS 2024 Improvement Project** as described in the attached plans and specifications. Bids will be accepted until **2:00 p.m. on Wednesday, May 8, 2024**, at which time they will be publicly opened. No oral, telephonic, E-Mail, telegraphic or facsimile proposals will be accepted. No proposals will be accepted after the time of closing of bids.

Owner reserves the right to reject any and all bids and to waive omissions, irregularities or clerical errors not affecting the compliance with the plans and specifications.

Prices quoted are to be F.O.B. (North Branch, Michigan). All purchases are to be exempt from all taxes, including state and federal taxes. Exemption certificates will be furnished upon request.

Bids shall be firm for forty-five (45) days from the date of the bid opening.

Bids must be submitted on the attached bid form and be signed by the bidder. Two (2) signed copies of the bid form should be addressed to the attention of:

Questions should be referred to Jeff Drayton, Director of Operations & Facilities, at 810.523.6040.

NORTH BRANCH AREA SCHOOLS

NBAS 2024 Improvement Project

1.0 - SPECIFICATIONS

1.1 Specifications and plans are the minimum accepted standard. Alternates will be accepted for evaluation only. The primary bid shall be as specified in these documents.

1.2 The Board of Education reserves the right to accept or reject any or all bids, to waive any informalities therein, or to award the contract to other than the lowest bidder, which is in the best interest of the District. We reserve the right to delay the opening of bids.

1.3 Contractor shall maintain and furnish certificates of insurance naming North Branch Area Schools as additionally insured under the policy with policy limits of \$500,000 /\$1,000,000 for property and bodily injury. Copies shall be provided prior to commencing work on said project. Additionally, said contractor shall furnish a policy certifying that he carries and has in effect worker's compensation insurance on all those required to be covered under Michigan law. Said Contractor shall hold the school district harmless in any incident involving the contractor, his employees, his equipment, and vehicles.

1.4 Bidders shall visit the building area and familiarize themselves with the scope of the project. Project locations are:

Cost Center #1:
North Branch Elementary
4055 Elm Creek Rd.
North Branch MI, 48461

Cost Center #2
North Branch High School
6598 Brush St.
North Branch MI, 48461

1.4.1 Contract bid shall be "lump sum" for completion of project (Cost Center #1 and #2).

1.5 The contractor shall submit a list of three (3) references complete with names, address, phone number and a contact person which will allow the Owner to verify ability to meet the terms of this document.

1.6 The contractor shall provide items of a minor nature, not specifically noted in these specification, so as to provide a complete, operable and Owner acceptable installation.

1.7 Following award of the contract, work may commence on or after June 12, 2024 and must be completed before August 2, 2024.

1.8 The contractor shall clean their job area daily and dispose of all trash and debris leaving the area broom clean. ***The Owner's dumpster is not to be used for contractor's trash.***

1.9 Contractor shall be responsible for compliance with all local, state and federal codes for the storage, handling and disposing of materials.

2.0 - SCOPE OF WORK:

2.1 The Elementary site will require construction of new parking spaces as indicated on the enclosed plan. **Please Note:** The parking area construction shall be construction staked by the client prior to commencing construction.

3.0 - ASPHALT PAVING MIX AND MATERIALS:

3.1 The sub-base shall conform to MDOT Standard Specifications as shown on plan.

3.2 The base shall conform to MDOT Standard Specifications as shown on attached plan.

3.3 Tack coat shall comply with MDOT SS-h.

3.4 The paving mixtures shall conform to the following MDOT specifications as shown on attached plan.

3.5 Contractor may propose alternative paving mixtures. Said proposal shall be provided to owner in a timely manner for review and approval.

4.0 - PREPARATION - NEW SURFACE AREAS:

4.1 Remove all existing topsoil as required. Compact sub-grade materials thoroughly to 95% Modified Proctor using suitable compacting methods until no further movement of the soil is observed. Any area that develops weakness or cannot be consolidated by rolling shall be removed and replaced with sound material.

4.2 Paving shall not be placed during rainy or threatening weather or when the moisture on the surface would prevent satisfactory bonding. Do not pave when the air temperature is below 40 degrees F.

4.3 All old paving/surfaces abutting new pavement shall be cut to straight lines perpendicular to the new surface and tack coat applied. A butt joint shall be constructed at the existing edge of pavement.

4.4 Place a sub-base consisting of 8" of 21AA limestone or 22A natural crushed stone for Cost Center #1 and 6" of 21AA limestone or 22A natural crushed stone for Cost Center #2. Level/ float until the sub-base surface is smooth and evenly distributed. Thoroughly compact to 98% Modified Proctor.

5.0 - PLACING ASPHALT PAVEMENT AND SIDEWALK:

5.1 Repaired or patched areas: Place the patching bituminous mix to a depth equal to the surround non-damaged asphalt and in accordance with MDOT Standard Specifications for Construction.

5.2 New paving areas: Wearing course paving shall be placed in two (2) lifts of 2½" leveling and 1½" wearing for Cost Center #1 and 2" leveling and 1 ½" wearing for Cost Center #2, on a properly cured tack coat to provide a finished compacted thickness of four (4) inches. Paving operations shall stagger joints between leveling and wearing layers.

5.3 Compact new bituminous materials by rolling. Do not displace or extrude pavement materials from position. Hand compact areas that are not accessible to rolling equipment. All bituminous materials are to be compacted to 98% of Maximum Unit Weight determined by 50 blows Marshall Test.

5.4 Roll with consecutive passes to achieve even and smooth finish without roller marks. Finished surface shall be flush with existing adjacent grass / lawn area.

5.5 The flatness of the finished paving product shall have a maximum variation of 1/8" measured with a ten (10') foot straight edge. Areas that fail to conform to this standard shall be repaired at no additional cost to the Owner.

5.6 Following the proper curing time, stripe the parking spaces as indicated. All new parking spaces shall be marked with the same color Yellow, thickness and general appearance as the existing parking area. ***Contractor shall coordinate with the owner prior to pavement striping and shall obtain approval of final pavement marking plan.***

5.7 The thickened edge of the sidewalk shall be installed as shown on the attached plan.
