School Board Meeting Recap 6/13/23

Personnel Items	A motion was made and passed to approve the following personnel items:
	Resignations
	 Jennifer Helmlinger – HS Intense Intervention Paraprofessional
	Retirements
	 Mark Cook – Transportation Director – 38 years of service at SA
	 Kathy King – 1st Grade Teacher – 44 years of teaching, 28 years at SA
	Reduction & Adjustment in Days – School Nurse
	 Haley Provost – reduction to 4 days/week
	 Katie Sprunger – moving from 1 day/week to 2 days/week
	Change in Position
	 Taya Augsburger – moving from Transportation Assistant to Transportation Director
	Employee Transfer
	 Kim LeFever – transferring from MS/HS Engineering & Technology Teacher to 8th Grade Science Teacher
	Fall Coaching Recommendations – see attached listing
Facilities/Construction	Painting is underway in the middle school this week.
Update	The chiller is being removed this week, and the new unit should arrive the
	week of July 4 th .
	 The lights in the tennis courts have been removed, and Dave will attempt to sell them on eBay.
	 Quotes are being obtained for informational signage around the campus.
	Mulch will likely be going down in the playground. Laying in/pouring of
	rubber material is very expensive, and several other schools who have
	installed this material have not been pleased with it for the cost that was
	paid.
	 It was asked if considerations have been made for a traffic light at the intersection of US 27 and 700S. It was determined through past meetings
	that there was not enough traffic volume to warrant a traffic light, but this
	topic could be revisited.
	Jeremy Gerber, project manager from PSI, was present to provide an update
	on the drainage and multi-function building projects. There has been a
	delay in starting due to additional information and modeling being required
	of Veridus from the city and drainage boards. Mike Dubach of Dubach
	excavating should be onsite this week, and Fleming Excavating is on track to
	be onsite next Monday to start demolition.
Technology	Microsoft's invoice came in higher than was anticipated but had not
	previously seen an increase in the last 3 years.
	Nathan is recommending an additional security features which would scan mails for malicious links and attachments and block these a mails. It
	e-mails for malicious links and attachments and block those e-mails. It
Safety/Security	 would also allow for encrypted e-mail functionality. Doug is working with the state on the Secured School Safety Grant.
Jaicty/ Jecurity	 Additional window films will be installed over the summer, as previously
	approved.
	Andy Schmit and Jeff Lehman have been added to the list of approved
	crossing guards.
Policy Review and	Doug recently met with ISBA regarding their platform for policies. Verbiage
Transition/Legislative	and numbering transitions from Neola to ISBA will be starting. The last
Update	

quarterly report did not contain any required or essential changes for approval. • Mrs. Clouser-Penrod continues to work through the upcoming changes to textbook fees. Rather than collecting textbook fees from parents, schools will receive aper pupil amount to cover the fees from the state – around \$151.88 per student. While this amount will cover the fees for some students, it will not cover the amount for all. The dollars sent for textbooks will come separate from the regular ADM. Superintendents around the state will continue to work through this and are anticipating additional guidance from the state. • Two bids were received through the bond sale. Closing is set for June 27th to comply with the July 1st deadline. • Elevatus was onsite this week and will be creating a design for review and approval before sending the project out to bid through contractors. • A tentative start date for the project has been set for October 1st. • Randy Kistler of RK Financial was present, as well as individuals from Lincoln Financial to provide a comparison of producty-Services for the school corporation's 401(a) plan. This plan was established to take place of the severance package for faculty and staff, with 1.5% of the employees' annual salary going into the plan on an annual basis. The school's plan administrator has been One America for the last 15 years or so. A comparison report was provided for the services offered by One America, Lincoln Financial, and Hancok. Randy recommended a transition from One America to Lincoln Financial is an the school's 401(a) plan administrator. • A motion was made and passed to approve a \$1.00/hour increase for classified staff with a few individuals with variable amounts. The increase will be effective July 1st. • A motion was made and passed to approve the following overnight and/or out-of-state Field trips: • A motion was made and passed to approve the following overnight and/or out-of-state Field trips: • A motion was made and passed to approve the following donations: • Sta

		 FCC (Indiana), LLC - \$500 – SkillsUSA Nationals/Machine Trades class

	 Poneto Fire Department – around \$1,000 in unused or out of date
	fire equipment – South Adams High School
Other	 A suggestion was made to consider completing the bidding for the school
	farm in the fall rather than in the spring. The timeframe was originally
	picked as a result of when the decision was made to lease the farmland.
	Mrs. Clouser-Penrod will reach out to Tim Baker to see what would need to
	be done to make that shift, and discussion can take place at the July School
	Board meeting.
