"THE FOUNDATION FOR SUCCESS"

THE 2022-2023 PROPOSED BUDGET

# IN GOOD HEALTH

We, your Board of Education, are aware that the entire Sayville community has faced very difficult times these past two years. We know "health is everything." While there were still many obstacles when schools opened in the fall, we have worked diligently with our Sayville School Administrators to maintain the health and safety of our school environments. This has allowed us to keep the schools open—with in-person instruction—for the entire academic year.

The good news is that Sayville School District is in optimum *fiscal* health, given the current economic conditions. Responsible cost-effective management, insightful practices, and long-

term planning of available resources have again earned Sayville School District the Moody Credit rating of Aa1, a noteworthy accomplishment especially during a second pandemic year.

To maintain our excellent *academic* health, we are submitting for voter approval on May 17th, the 2022-2023 PROPOSED BUDGET. This Proposed Budget will sustain instructional and support programs, including Universal PreK, preserve current staffing levels, continue to invest in technology, re-purpose resources in response to health-and-safety protocols, all while still containing costs.

This year, Sayville will also see an increase in revenues from State Aid (Foundation Aid), UPK funding, Fund Balance, along with other miscellaneous sources. These income sources not only *lower* the tax-rate increase, they assist the District in managing costs and building educational programs to ensure our high standards of academic excellence.

**SUMMATION:** The Sayville Board of Education adopted the **2022-2023 PROPOSED BUDGET** at its March 10th, 2022 meeting. This Proposed Budget represents a **\$99,302,157** spending plan, resulting in a spending increase of **\$2,324,099** or **2.40%**. This translates to a proposed increase on the tax rate of **1.72%**—which is *lower than BOTH* the Long Island Average of **1.9%** *and* the Suffolk County Average of **2.04%**—is *AT* Sayville's calculated **Tax Cap of 1.72%**, requiring a simple majority to pass. For the average home assessed at **\$40,000** there will be an *estimated* increase of **\$138/year** or **\$11.50/month** [see *Tidings* p.3] (before any STAR reimbursements). Carefully read through this *Budget Issue of Tidings*. Under the Business

Office Section of the website, you may review all the Budget presentations as well as information about the **\$15 Million Bond Referendum**, also up for vote at the same time.

As your Board of Education, we appreciate your continued support to ensure that the best educational programs and opportunities are provided for our students.

#### SINCERELY YOUR BOARD OF EDUCATION:

# Sayville School District Contracts with Suffolk Transportation for All Student Bus Services

- In the 2019-2020 academic year, Sayville School District obtained requests for proposals (RFP's) for our large buses, vans, field trips, and athletic transportation.
- A five-year contract was awarded to Suffolk Transportation. This contract began with the 2020-2021 school year and remains in effect.
- For the 2022-2023 school year, the contract would be in year three of five.
- Sayville School District has benefited from the five-year contract with Suffolk Transportation that continues to provide the District with cost predictability and continuity of service while mitigating the impact of economic fluctuations.

## NYS "Two Percent" Tax Cap Formula...

- Decrease of the District's Debt Service drives down the Tax-Levy Cap Percentage;
- Decrease in prior-year Building Aid drives up the Tax-Levy Cap Percentage.

...IS NOT "TWO PERCENT" AT ALL, SINCE THE FORMULA IS BASED UPON SEVERAL FACTORS (see chart at left).

The Projected Tax-Levy increase of 1.72% is AT the calculated Tax Cap requiring a simple majority to pass.

Keeping costs *at* the Tax-Cap Levy is a further demonstration that the Sayville School District and Board of Education are presenting a *fiscally responsible budget* to *taxpayers.* 

### **NEW YORK STATE RULES REGARDING THE CONTINGENCY BUDGET**

The Contingency Budget contains various expenditures that are: legal, specifically authorized by mandates or statutes, and maintain educational programs, preserve property, maintain the health and safety of students and staff. If the Proposed Budget fails the first time...

New York school boards may decide to: put up the *SAME* budget for revote, put up a *REVISED* budget for revote; or adopt a Contingency Budget.

\*\*\*\*\*IMPORTANT INFORMATION\*\*\*\*\*

If the Proposed Budget <u>fails</u> <u>twice</u>, school districts must adopt a Contingency Budget with a ZERO percent increase on the current tax levy. Under a Contingency Budget there are <u>TWO</u> spending cap limitions:

#### 1. ADMINISTRATIVE CAP

ADMINISTRATIVE CAPS
are determined by taking the ratio
between the Administrative and Program
Budgets, plus determining the 'lesser' of
the calculated Administrative Caps for
2021-2022 or the defeated 2022-2023
Budget. (See chart below.)

#### **ADMINISTRATIVE BUDGET CAPS**

12.60%		
2021-2022	2022-2023	BUDGET
ACTUAL	PROPOSED	CONTINGENT

#### 2. ZERO PERCENT TAX LEVY CAP

On a Contingency Budget, Sayville School District would have to cut \$1,412,104 from instructional/support programs, and staffing to achieve a ZERO PERCENT TAX LEVY INCREASE (See below).

# To Achieve 0% Increase What Would Be Cut? Non-contingent Items

*ADMINISTRATIVE Budget* ..... −\$36,071

Staffing, nonessential supplies, equipment, travel, etc.

*PROGRAM Budget.....* -\$263,499

 Staffing, student supplies, new equipment, athletics, cocurricular, summer school, increased class size, etc.

CAPITAL Budget ...... -\$1,112,534

 NO Community-Use of Buildings and Grounds (unless paid), staffing reductions, capital projects, etc.

# -Contingent Budget

	BUDGET	BUDGET PERCENTAGE INCREASE	PROPOSED INCREASE ON TAX Levy
2021-2022 Final Proposed Budget	\$96,978,058	0.80%	0.61%
2022-2023 Contingent Budget	\$97,890,053	0.94%	0.00%

Under a Contingency Budget the District must REDUCE spending by \$1,412,104.

Therefore, in addition to reducing the tax levy by \$1,046,104 to achieve a 0% increase, Fund Balance and Reserves applied would also be reduced from the defeated budget by \$366,000.

# ALSO ON THE BALLOT: THE \$15-MILLION BOND REFERENDUM

# WHY WE NEED A BOND REFERENDUM:

- For large-scale projects, such as building roof structures with expiring warranties within the District that are at or near the end of their useful life;
- For the necessary stability, integrity, longevity, and safety of our buildings within the District;
- To ensure there is *no additional burden on the taxpayer* from these costly repairs that would otherwise impact our School Budget;
- To restore debt-service levels to current budgetary amounts, so the District will not experience a shortfall, due to State aid paid on debt;
- To gain from tax incentives because "bonded debt" is considered A TAX-CAP EXCLUSION and has a positive effect on the District's Tax-Cap calculations.

# WHAT THE \$15 MILLION BOND REFERENDUM WILL FUND:

- Cover the estimated costs of re-surfacing (i.e., re-skinning) the roofs for all
   District buildings (except the Middle School), with replacement and resecuring of
   perimeters, and new metal edging;
- If remaining Bond funds allow, the completion of Air Conditioning/HVAC upgrade at Sayville High School Auditorium (previously approved under 2015 Bond Referendum).
