

TIDINGS

FROM THE SAYVILLE SCHOOL DISTRICT

Holiday Season Sweet Music

Special thanks to our music department and talented students of all ages for giving us the seasonal gift of "inexpressible" beauty through their vocal, orchestral, and band performances.

KINDERGARTEN REGISTRATION

All children born between Dec. 2, 2012 and Dec. 1, 2013 are eligible for kindergarten enrollment.

Please call 244-6505 if you have a child who is eligible for Kindergarten and you have not yet received the Kindergarten Registration Packet.

INTRODUCING THE 2018-2019 BUDGET SEASON

As we enter the 2018-2019 Budget process, Sayville School District has new challenges to face. The loss of over \$400,000 in Building Aid on the revenue side of the budget will be significant. This loss in aid is the result of "older prior year capital projects" being completely aided within the last school year.

Yet, due to the District's well-managed resources and good fiscal position, we will be able to use available one-time revenue, coupled with applying additional Fund Balance, to compensate for the Building Aid loss. Therefore, the 2018-2019 Budget draft being presented to your Board for review is a fiscally responsible budget that continues to promote sustainability of our existing programs and builds on the wonderful instructional opportunities offered to our students.

The initial draft of the 2018-2019 Proposed Budget that is being presented to the Board is \$93,146,690 and represents a \$2,551,937 increase or 2.82% spending increase and presents a projected tax-rate increase of only 1.97%—which is under the Calculated Tax Cap—before STAR exemptions.

While this is good news, we encourage our community residents to come out to the Budget Development meetings to become better informed about how a school budget is developed. To serve residents who cannot attend the meetings, all our Budget Presentations will be posted on the District website under the

Business Office tab. Different sections of the 2018-2019 Budget will be presented at each of the Board meetings through May 2018 and leading up to the vote, so keep checking the website.

Should you have any questions on the budget or the process, please don't hesitate to call the Business Office at 631-244-6530.

Sincerely,

John Belmonte, Assistant Superintendent for Business

SOME IMPORTANT DATES TO REMEMBER

- May 8, 2018 • **The 2018-2019 Budget Informational Meeting**, 7:30 p.m. Administration Building,
- May 15, 2018 • **The 2018-2019 School Budget Vote, Annual Meeting, and Election of Trustees** Districtwide voting at the **OLD JR. HIGH SCHOOL GYMNASIUM**, 30 Greene Avenue, Sayville.

IMPORTANT NOTICE FROM THE TRANSPORTATION OFFICE

THIS REQUEST MUST BE FILED FOR EACH SCHOOL YEAR BY APRIL 1ST

Requests for transportation to private and parochial schools and childcare locations (i.e., LEAP, SCOPE, New Life, In-Home) must be filed by April 1st and forwarded to: SAYVILLE PUBLIC SCHOOLS, TRANSPORTATION OFFICE, 99 Greeley Avenue, Sayville, NY 11782

Forms can be found on the Sayville Public School website www.sayvilleschools.org under "Transportation." Transportation is provided to in-district and out-of-district schools to a maximum of 15 miles. State statutes and a referendum of Sayville voters have set this limitation.

Did you know that the 2017-2018 School Taxes were reduced from +0.25% to -0.47%?

This rate was one of the lowest tax-rate increases among all Long Island school districts.

And this was the second consecutive year that Sayville School District LOWERED the tax rate.

Doing Things Right – Both Fiscally and Instructionally!

- Lowered the Homestead Tax Rate two (2) years consecutively: 2016-17 school year: -0.80% 2017-18 school year: -0.47%
- No Fiscal Stress – Reports the Office of the State Comptroller four (4) consecutive years!
- Well-managed Fund Balance and Reserve Funds that greatly helped to stabilize Tax Rates and provide needed relief to the community
- Continue to expand our instructional program opportunities for our students: Teachers' College, Elementary Foreign Language.....

This fall, the Sayville Players presented

ALMOST, MAINE

There was nothing "almost" about the Sayville Player's fall production *Almost, Maine* by award-winning actor and playwright John Cariani. It was **everything** an audience would want in a romantic comedy: endearing, heartfelt, silly, sad, and moving.

Almost, Maine presented nine, loosely related one-acts with the unifying theme—love—located in a fictional inland community of Almost, Maine, our northeasternmost state.

Both talented casts of the Sayville Players brought life to the quirky characters of *Almost, Maine*. Here we meet the boy and girl trying to make a good first impression in the *Prologue, Interlogue, Epilogue*; the couples moving past love's pitfalls in *Her Heart, Sad and Glad*, and *Getting it Back*; the unhappy duos in *Where It Went* when the other shoe drops in a marriage breakup or in *Story of Hope* about missed opportunities; and the joyful pair in *Seeing the Thing*—yes, call it love—for the first time. Here we encounter lighthearted laughs and pangs of regrets and thanks to the tour guides among the Sayville Players, the trip was absolutely memorable.

Kudos to the actors in both casts for their convincing portrayals and excellent work as well as to Mr. Doug Shaw in his new role as Drama Advisor who is continuing the wonderful Fall Play tradition established by the recently retired Steve Hailey.

SAYVILLE PLAYERS PRESENT

OUR TOWN

"Molière said that for the theatre all he needed was a platform and a passion or two. The climax of this play needs only five square feet and the passion to know what life means to us." -- Thornton Wilder, 1957

The Little Theatre set was indeed minimalist with chairs, two ladders and a blackboard, surrounded by a raised audience platform, but the Sayville Players enriched the imaginations of the audience with their passionate performances in Thornton Wilder's *Our Town*.

The three-act play introduces the Grover's Corners residents in "Daily Life," follows them through the joys of "Love and Marriage," and finally transports them in "Death" to an omniscient perspective, where they look down from the expanded view of eternity with transcendent peace. (SEE PROGRAM ON WEBSITE AT TIDINGS ONLINE.)

photo courtesy of Sergio Diaz

In *Our Town*, Wilder's humanistic theme to appreciate the ordinary—the here and now—is perhaps a simple idea, but the depth of understanding to play the roles convincingly and with maturity is not typical for high school students. However, the Sayville Players accomplished this feat with extraordinary heart. Director Doug Shaw had high praise for the abilities the students brought to the production. "They were awesome," he said.

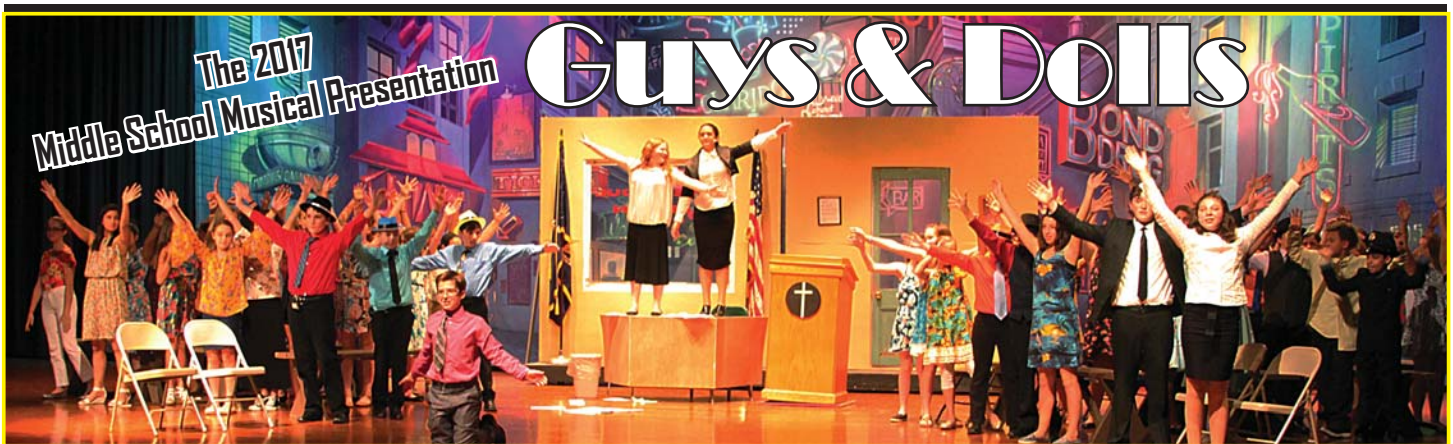

HOMECOMING 2017 - DECADES DEFINED BY CHARITIES

After a full week of school-spirit activities—that included dress-up theme days, cafeteria-window painting, building theme-related parade floats, and a Pep Rally—the High School classes were ready for the Homecoming Parade. Despite the late October date, the mild temperatures under overcast skies encouraged the spirited Freshmen, Sophomores, Juniors, and Seniors to assemble in numbers and accompany their creatively designed parade floats during the traditional march on Main Street.

The theme was "battling for our charities throughout the decades" and each class favored a special organization that they would support throughout the school year. Representing the eighties with a huge bright blue boombox, the Freshmen chose the *Friends of Sayville Educational Foundation* as their charity. The Sophomores jumped *Back to the Future*, complete with Marty McFly, Doc Brown, and an iconic Delorien Time Machine—homecrafted by the students—to support the local chapter of the *American Cancer Society*. Meeting at the diner, the Juniors depicted the fifties and gave their support to *Save the Great South Bay*. However, the Seniors outdid their underclassmen with their sixties decade theme. They created three floats: a yellow submarine that hosted the Beatles; an authentic Volkswagon Bus carrying hippies, while the third float showcased an amalgam of crepe-paper structures representing Smiley Face, Hairspray Bottle, and Peace Sign and transported flag-waving U.S. soldiers and President Richard Milhous Nixon. Their charity was the *American Foundation for Suicide Prevention*.

The Rotary Club judges ranked the show of spirit, awarding Seniors 1st Place, Juniors 2nd, Sophomores 3rd, and Freshmen 4th. Special thanks go to all the Homecoming organizers and congratulations to the Golden Flashes for their win, 41-27, against Islip.

The 2017
Middle School Musical Presentation

Guys & Dolls

Taking a Chance with the Middle School Musical

Maybe it was a little dicey to expect Middle School students to take on a production of *GUY and DOLLS*—a musical comedy about tough guys, gamblers, showgirls, and a group of missionaries appealing for reform in the 1940s. How would twenty-first century tweens be able to act in roles from an era that seriously predates them in history, language, and culture?

Quite well, apparently. Sayville Middle School's *GUYS and DOLLS* was a high-energy presentation that showcased tongue-and-cheek humor, delightful character portrayals, and overall entertaining musical numbers that amazed audiences and proved that Middle School students could have enormous fun with a story about a bygone era.

The main performers along with the supporting cast of ensemble singers and dancers ensured that the favorite show tunes—*Guys and Dolls*, *If I Were a Bell*, *Take Back Your Mink*, *Havana*, *Luck Be a Lady*, *Sue Me*, *Marry the Man Today*, and especially *Sit Down You're Rocking the Boat* (Dylan Schneider energized the dance routine with his leaps and cartwheel)—hit all the right notes.

Special thanks go to Stage Director/Choreographer Kim DuFrenoy, Musical Director Fred Diekmann, Producer/Lighting Ari Kramer, Sound Supervisor Joseph Albanese, Set Construction Pete Carbocci, parent volunteers, production managers, staff, and all the guys and dolls in the Middle School ensemble and crew. Taking a chance on this Middle School Musical production certainly paid off!

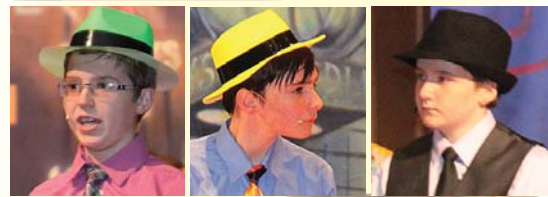

(right) As **Nathan Detroit**, Ben Flaumenhaft was dynamic overall, but especially appealing in "Sue Me."

(right) **Olivia Reiss** embodied the part of **Adelaide** with phenomenal acting, dancing and singing talents.

(below, l-r) **Dylan Schneider**, **Liam Donovan**, and **Carter White** showed they "Can Do" a terrific job singing and setting the mood for a promising production.

(right) As **Sarah**, **Maya Guacci** owned the role with her remarkable singing, especially in "I'll Know," "If I Were a Bell," and in the lovely duet with Olivia Reiss "Marry the Man Today."

(left) **Asher DeVerna** charmingly delivered the main tough guy **Sky Masterson** with a soft heart.

(above, l-r) **Brother Arvide/Kyle Finn** was in fine voice for "More I Cannot Wish You;" **Maggie Mongiello** was the convincing authority as **General Cartwright**; and **Amelia Wells' Agatha** provided excellent comic relief in all her scenes.

(above, l-r) **Harry the Horse/Ethan Alcantara** and **Big Jules/Jude Ramsaywak** played their parts with appropriate threat and menace; **Dominic Lewis** was a standout presence as **Lt. Brannigan**.

Celebrating 2017 Champions at Fall Breakfast

"A person is never taller than when he bends down to help someone in need."

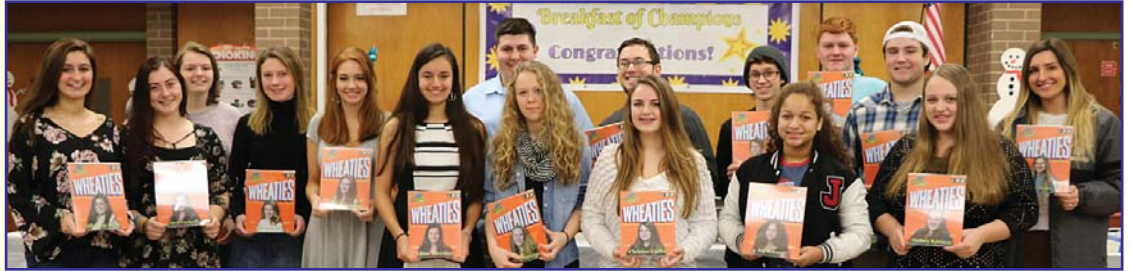

For consistently demonstrating exemplary character, nineteen High School students were recognized by Sayville teachers and staff at the *Fall 2017 Breakfast of Champions*.

The morning ceremony—to which the students' family members were also invited—recognized students for their innate set of values evident by how they conduct themselves throughout the school day. *Breakfast of Champions*, held once each semester, has been a beloved tradition, one that keeps on giving to all who attend.

As she has done every year, Assistant Principal Jillian Makris explained the general qualities that set these selected students apart. "These are the students who help make up the moral fabric of our school... and every day they strive to be the best they can... not just for a grade on their report card but in life as human beings."

In addition, Mrs. Makris thanked the family members for providing the upbringing, encouragement, and support within the home that nurtured these remarkable students.

During the presentations, District faculty and staff members called upon each recipient one-by-one and shared their appreciation with personalized messages and each student received a *Breakfast of Champions* certificate and plaque with his or her portrait on a *Wheaties*™ Box background.

In closing, Mrs. Makris shared the above quote (*see article title*) noting "...that is the main tenant we've heard this morning. Each and every one of you—all the nominees here—you've all helped someone in this High School or outside..." Immediately, Mrs. Makris requested the nominees stand at their seats for additional applause.

After, everyone enjoyed a satisfying breakfast sponsored by the Breakfast of Champions program which was served and prepared for this special occasion by the Sayville food service workers. Additional thanks went to the technology department (Mr. Vogel and Mr. Cross) for making the plaques, and Mr. Ari Kramer and his chamber students who provided the soothing musical ambiance.

Congratulations to: *Cody Bostinto, Matthew Castagna, Olivia Davidson, Joseph DiPalermo, Kate Donohue, Alexa Farinella, Christina Guiffre, Lily Hynes, Mallory Kassman, Hailey Keyser, William Klopp, Kathleen Kohn, Aidan Kolar, Brenna McClellan, Christianna Maharaj, Joseph Razzano, Jag Reivers, Lillian Schweikert, and Abbey Von Zwehl.*

"Equity and Opportunity" Earn Sayville a Place on the AP Honor Roll

For a third time within the last eight years, Sayville School District has been placed on the College Board's Annual AP® District Honor Roll for Significant Gains in Student Access and Success.

Sayville is one of 447 school districts in the U.S. and Canada honored this year by the College Board with placement on the *8th Annual AP® District Honor Roll*. Advanced Placement is a program created and administered by the College Board which offers—within a high-school setting—standardized college-level curricula and examinations to high school students aspiring to attend college. AP courses and exams are a nationally recognized standard for many colleges and universities considering candidates for admission and are used to measure student achievement. Students who receive a score of 3 or higher on an AP® exam—demonstrating measured mastery of college-level work—can typically earn college credit and/or placement into advanced college courses.

This is Sayville's third time on the AP Honor Roll (*previously in 2011 and 2012*): It is a testament to the District's commitment to academic excellence and to the dedication of our High School students, staff, and our supportive community.

Giving all students "equity and opportunity" for a quality education has been the primary goal at Sayville High School. Participating in the nationally recognized AP program is **one** of several opportunities available at the High School to enhance student achievement in a competitive environment. Today, the High School continues to see growth in AP enrollments due to its expanded AP course offerings,

To be included on the 8th Annual Honor Roll, Sayville had to, since 2015, increase the number of students participating in Advanced Placement while also increasing or maintaining the percentage of students earning AP Exam scores of 3 or higher. Reaching these goals shows that Sayville is successfully identifying motivated, academically prepared students who are ready for AP.

including AP Capstone Program (*available 2016*) that is encouraging students with unique interests to hone their college-ready skills.

This new AP Capstone program is both a Seminar and Research course. Students enrolled in this program are given the flexibility to choose a real-world thesis topic that strongly appeals to them on an individualized level. After designing, planning, and conducting a year-long mentored, research-based investigation, they write a college-level research paper, present and orally defend their research findings and methodology. Students who earn scores of 3 or higher in AP Seminar and AP Research will receive the *AP Seminar and Research Certificate*™. Those students who earn scores of 3 or higher in AP Seminar and AP Research and on four additional AP Exams will receive the *AP Capstone Diploma*.

"Our District continues to strive to provide access to college and career-readiness learning opportunities for every student," Sayville High School Principal Ron Hoffer explained. "The skill set our students will refine as a result of the challenge and rigor these college-level learning opportunities present will transcend many of their future learning endeavors."

Both the AP course work and the AP Capstone Program give Sayville students more opportunities to choose programs that best suit their interests and abilities while preparing them to build critical-thinking skills, confidence, and the essential time-management and study skills needed for college success.

(GO TO TIDINGS ONLINE FOR MANY STORIES & PHOTOS.)

Saying ¡Hola! To A New Districtwide Elementary Program

Sunrise Drive may have been the first Sayville elementary school in the District to participate in the weekly language-arts

program being introduced this year, but each of the three elementary schools will be experiencing one trimester of this new offering to learn Spanish. While the program offering is currently for Third-grade students, Fourth- and Fifth-grade students are able to participate in the *Before-School Enrichment Club*.

“The World Languages Department is excited to partner with the elementary schools this year in offering—L.A.C.E.S. (*Language and Culture at the Elementary Schools*),” announced Stephanie Bricker, Department chairperson.

Introducing students to the language along with the traditions and practices from Spanish-speaking countries was the goal of this fun and innovative program taught by Señora Chirichella from the High School. Señora Chirichella said, “It was a wonderful experience having the children come in not knowing much Spanish and at the end of the program have them speaking it all the time. When Sunrise had completed their trimester, the verdict is in— “¡Lo pasaron de maravilla!”

¡Hola! next to Cherry and in the final trimester to the elementary students at Lincoln Avenue!
