The start date is contingent upon the awarding of bids for the project; however, assuming procurement and everything goes well, the start time would be after the completion of the tennis season in October as previously discussed. • Now that the construction documents are complete and have been reviewed, the timeline for bid announcements will be drafted. • The community group looking to raise funds for two additional dual-purpose tennis and pickleball courts has been in contact with Ms. Hower. Estimates have been requested. While it is a cost savings overall to complete the two projects at the same time, the addition of the two courts would not damage the new courts if completed at a later date.
