

# Great Falls Gencyber Summer Institute 2023

Online Pre-camp: April 4 - May 24  
(Tuesday and Wednesday, 7pm-8pm)  
\*Pre-Camp Optional

In-Person Camp: June 12 - 16  
(Great Falls College, 8am-5pm)

Online Post Camp: July 11 - Aug 23  
(Tuesday and Wednesday, 7pm-8 pm)

## Experience:

Students will participate in a variety of cybersecurity exercises that will teach both the foundation of computer security, as well as the basics of technology. This cybersecurity camp is geared to expose students to the world of technology. It promotes a basic understanding of computer security and engender a passion for technology and engineering concepts in the future.

**AGES 11 - 14**

**GREAT FALLS  
COLLEGE**  
MONTANA STATE  
UNIVERSITY

## OBJECTIVES

- Foster interest and enthusiasm in technology
- Teach the fundamentals of offense and defense in cybersecurity
- Work with embedded devices
