

*Celebrate Teachers During  
Gold Star Appreciation Month  
April 1-30, 2022*

**How can you show your appreciation this year?** The **Gold Star Award program** from the Great Falls Public Schools (GFPS) Foundation offers a unique, impactful way to honor your favorite GFPS teacher and/or staff member.

Scan the QR code or mail this form with a donation of *any* amount to participate. The GFPS employee(s) will receive a surprise visit from the Foundation in the company of students and/or coworkers. The individual will also receive a Gold Star Award that includes the donor’s name and personal note. The school principal will be notified, and the individual’s name will appear in the GFPS Foundation’s annual report.

Your donation also supports grants for all GFPS teachers. For more information, visit [www.gfpsfoundation.org/gold-star-recognition-form/](http://www.gfpsfoundation.org/gold-star-recognition-form/) or call Stephanie Schneider at 406-268-6021.
