

PURPLE UP for **military kids!**

Purple Up from head to toe on Thursday, April 27th!

All students, staff and community are invited to wear purple to recognize and honor our Military families.

Did you know 11.8% of GFPS population is made up of Military attached families?

April is the month of the military child.

The color purple is chosen as the signature color because it symbolizes all branches of the military: It is the combination of Army green, Coast Guard blue, Air Force blue, Marine red and Navy blue.

A typical child in a military family can expect to move six to nine times from Kindergarten through high school graduation, according to the Military Child Education Coalition. And yet, many military-connected children learn how to adapt and develop resiliency.
