

Beyond the Rainbow

VIRTUAL STEM PROGRAM HOSTED BY
GIRL SCOUTS OF MONTANA AND WYOMING

Join us for a virtual adventure beyond the rainbow, where girls will learn the science behind what makes a rainbow, how light is refracted, and the formation of crystals - all while exploring color theory and mythology of unicorns!

Who: All Girls, K-5*

Cost: \$15

When: Multiple Dates/Times

Girls will receive a kit in the mail with supplies to create:

- ✓ **Crystal Unicorn**
- ✓ **Rainbow Sun Catcher**
- ✓ **Macrame Rainbow Keychain**

OR

**Register now at
gsmw.org/scoop**

*Girl Scout Membership not required to participate in this event.
