**DIANE SEDER**

*Kindergarten Teacher*

*Lewis & Clark Elementary School*

Recommended for a Good Apple Award  
by Mark Finnicum, Great Falls Public Schools Board of Trustees,  
because of the following:

*I have known Diane Seder for almost 20 years now and as a teacher, she has always had her children's needs and wants first and foremost in her mind. A couple of months ago I had the privilege to sub in her classroom for her to take some well-earned time off. She had her plan nailed down for me and written out to the minute. I had such a fun time in her classroom because she has her class minding their P's and Q's very well. Our district is going to miss her as she rides off into the sunset as a fulltime teacher, but I bet that we will still see her around L & C in the future volunteering.*

## **SANNA BEERMAN**

*Occupational Therapist Associate Coordinator  
Paris Gibson Education Center*

Recommended for a Good Apple Award  
by Mark Finnicum, Great Falls Public Schools Board of Trustees,  
because of the following:

*I I have known Sanna for about 10 years now, and through the last COVID years, I have seen and heard about how good she deals with her young ones. Her caring and concern are second to none. I wish we had more of the quality and caliber of OT's like Sanna !!!!*
