

Great Falls Public Schools Good Apple Award Recipients

Corri Smith, Principal, and Dean Jardee, Librarian, both Whittier Elementary School, were recommended for a Good Apple Award by Tom Moore, Superintendent, District Office Building, because of the following: Corri and Dean are to be recognized for their work with all stakeholder and the GFPS Foundation for enhancements to the Whittier library. For their visionary leadership, collaboration and hard work on behalf of our students and families, I ask that they be given the prestigious, GFPS Good Apple Award.

Jamie Ronholdt, Riverview PTA President, Tara Hageman, Overload Teacher Aide, and Luke Diekans, Principal, all Riverview Elementary School, were recommended for a Good Apple Award by Tom Moore, Superintendent, District Office Building, because of the following: Jamie, Tara and Luke are to be recognized for their outstanding efforts with parents, staff, community members and the GFPS Foundation to enhance the playground at Riverview this summer. For their visionary leadership, collaboration and hard work on behalf of our students and families, I ask that they be given the prestigious, GFPS Good Apple Award.

Jennifer Creed, Occupational Therapist, Meghan Dellen, Physical Therapist, both Paris Gibson Education Center, Tiffani Fox-Sunchild, Speech & Language Pathologist, Great Falls High School, Tom Hering, Director of Information Technology, Lance Boyd, Executive Director of Student Achievement, both District Offices, were recommended for a Good Apple Award by Tom Moore, Superintendent, District Office Building, because of the following: For the past two years they have led a team of colleagues in researching and testing various devices and software programs to assist students who specific academic and physical needs across the district. Much of this Adaptive Technology will be beneficial in enhancing all student's learning in the classrooms and at home. To ensure that our school system continues to make their efforts a priority into the future, the team has written this work into the Technology Strategic Plan for the next three years. Nothing like this is being done to this extent, in any other school district in Montana that I am aware of. For their visionary leadership, I ask that they be given the prestigious, GFPS Good Apple Award.
