Dear Parents/Guardians:

Please be advised that the Sayville School District will transport **elementary** or **middle school** children from the home of a caregiver to their respective school. However, the caregiver's residence must be eligible for transportation based upon the voter approved Transportation Policy. The policy is as follows:

Grades K – 5	½ mile or more from school
Grades 6 – 8	1 ½ miles or more from school

Please be advised that caregiver transportation is only provided within the school attendance zone. The only time the District will transport outside of the school attendance zone is when the childcare location is licensed by the NYS Office of Children and Family Services.

In order for there to be no possibility for confusion, multiple caregivers at different addresses are not permitted. This is especially important when dealing with younger children who can be easily overwhelmed by revolving transportation schedules.

Attached to this letter is an application form. **You will note that for the 2024-25 school year, your child care provider is required to fill out a portion of this form. In addition, both the parent requesting child care transportation and the care giver must sign and notarize this form.** Please complete the application form for the 2024-25 school year and return it to the Transportation Office, Administration Building, 99 Greeley Avenue, Sayville by **April 1, 2024**. Prior to the start of the new school year, we will send this form to the appropriate school so that your child's teacher and the main office staff are aware of these arrangements.

If at any time you need to change these arrangements, please contact the school directly. Should you have any questions, please feel free to contact the Transportation Office at (631) 244-6525.

Sincerely,

A handwritten signature in cursive script that reads 'Rhonda Meserole'.
