

Dignity for All Students

Resolution of Respect

I pledge from this day forward to do my best to combat prejudice and to stop those who, because of hate or ignorance, would hurt people or violate their civil rights.

I will try at all times to be aware of my own biases and seek to gain understanding of those I perceive as being different from myself.

I will speak out against all forms of prejudice and discrimination.

I will reach out to support those who are targets of hate.

I will think about specific ways my community members can promote respect for people and create a prejudice free zone.

I firmly believe that one person can make a difference and that no person can be an "innocent" bystander when it comes to opposing hate.

I recognize that respecting individual dignity, achieving equality and promoting intergroup harmony are the responsibilities of all people.
