

BUSINESS AND LAW

The **Business and Law** career community includes the many business-related and law careers and offerings. Students who enjoy collaborating, problem solving and/or working with others may consider options in this pathway.

Student Spotlight

Dublin Business Academy "DBA was overall a great experience because I didn't know what field of business I wanted to study and through the rotations I was able to figure out I didn't like accounting, which I thought but really liked marketing and production. I recommend taking DBA because you have fun and also learn"
-Alie Intihar '20
