

EDUCATION, HOSPITALITY AND HUMAN SERVICES

The **Education, Hospitality and Human Services** career community includes teaching, hospitality and tourism and other service-related careers. Students who enjoy working with and helping others, being creative and/or working in teams may consider options in this pathway.

Student Spotlight

Future Proof "It has definitely helped me see all the different career opportunities there are, we also explored the different choices we have after high school --not everyone has to go straight to college".
-Student '23

Design Your Life "I have found this class very useful not only when learning about my future but how to be a better student and how to go about doing things [to be successful]"
-Edna Muse '23
