

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Ariana Annarumma

Ariana is a dedicated student and an amazing person who brightens any class. I have Ariana in AP Seminar, a very challenging class that requires great dedication and perseverance. Right from the start, Ariana proved herself to be a very hard worker who truly wants to succeed. During a group project, Ariana and her two teammates met constantly outside of school, determined to create the strongest presentation they could. The group's effort was truly inspiring. What impresses me even more than her wonderful work ethic is Ariana's constant willingness to help and her cheerful attitude. Part of the course requirements of Seminar is students must give a taped media presentation about their research. One of my tapings had to take place after school, and I asked both my classes if anyone could volunteer to assist with a taping during 10th period. Out of my 37 students, only Ariana volunteered. Ariana cheerfully gave of her time simply because she knew it would help me and the group needing to present. This is only one example of Ariana's kindness to others. I also love Ariana's unfailing positive attitude.

Seminar places great demands on students, yet Ariana always has a smile on her face. In the class, students regularly offer feedback to one another, and Ariana's comments are always thoughtful yet gentle. The other students in the class respond to her genuine concern. I shall be sad next year when I do not have Ariana, yet I am happy another English teacher will get to teach this lovely girl.
