

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Anna Brennan

Anna Brennan is truly worthy of being deemed a “champion”. She has so many admirable qualities but 3 in particular stand out. First, she is wonderfully inquisitive. Her questions in AP Psychology will sometimes make me do further research on a topic and often lead to unexplored avenues of discussion. That is an invaluable asset for a teacher to have in their class. Second, she possesses a delightful personality. She is forever endearing herself to classmates with her sense of humor. Whether discussing the merits of mozzarella sticks or talking about items on her bucket list, Anna never fails to bring a smile to our faces (particularly mine). Finally, Anna has a strong sense of compassion and community. She is a volunteer for the Community Ambulance and often will reference her experiences when they are relevant to class. She has also encouraged a fellow student to join and that young lady began her volunteer experience just last month. Anna is a senior and will no doubt go on to great success in college and medical school. I know I feel fortunate to have had a year with Anna in my class!
