

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Matthew Kinahan

Matt Kinahan is a student I truly admire. He is a very respectable young man with a polite, positive disposition. I have had the pleasure of teaching Matt during his junior and senior years in his math classes. I am most impressed by Matthew's work ethic in my class. Understanding math is not a task that comes easily to Matt, yet he never gives up. He actively participates in class by asking or answering questions. If there is a lesson or homework assignment that he is having difficulty with, he always seeks extra-help to clear up any confusion immediately. I feel that Matt is a very determined student. He strives to do well and is willing to put in the time and effort necessary to achieve that goal. He is a student that is always doing the "right thing."

He is truly a pleasure to work with.
