

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Joshua Ojeda

The words that come to mind when I think of Josh are *constantly pleasant*. In a writing assignment for English class, Josh mentioned that his family dynamics include parents who positively impact who he is because “they push me to do better in school and maintain good grades, so I can have a positive future.” Once I read this, I began to recognize this motivation in Josh. He arrives at school early every day, and sits in the cafeteria and completes his school work, and I can count on Josh to smile and say hello every single time I see him. Josh is appreciative and respectful, and he may prefer to sit quietly in the back of the room, but his ambition and drive do not go unnoticed. Josh is above average in my mind because it’s refreshing to find such a respectful, open minded, kind student (who laughs at my jokes). I am fortunate to know this young man who I believe will continue to positively impact those around him as he works hard to achieve his dreams.
