English I and II, Biology passing rates. 7th and 8th grade passing rates.

Passing rates among special populations (LEP, Sp Ed, and Migrant).

## School Culture and Climate

### School Culture and Climate Summary

#### High School Culture and Climate

Santa Maria High School has identified the characteristics of district culture and climate through an analysis of the discipline program, character education, classroom management, student attendance and parental involvement.

The attendance rate for Santa Maria Academic Academy for ALL students, based on the TAPR 2018-19 report indicated an increase from 90.7% to 92.4%. The attendance rate reflects data from the 2016-17 and 2017-18 school years. This year, Santa Maria Academic Academy will implement the School-wide Positive Behavior Intervention and Support system to address discipline issues for all students that includes positive interventions and supports and rewards which are being implemented on a six weeks basis. The district has also been provided with a truancy officer, which helps to monitor daily attendance. In addition, the district provides New Generation System (NGS) Specialist/Recruiter and a district-wide parental liaison for migrant students

#### High School Culture and Climate Strengths

# Comprehensive Needs Assessment

## School Culture and Climate Summary (Continued)

Student support for migrant students

### High School Culture and Climate Needs

The following needs are listed in priority order:

- Improve monitoring of School-Wide Positive Behavior Intervention and Supports
- Improve parent conversations with teachers regarding student performance with both positive and areas requiring improvement on a more frequent basis.

## Staff Quality, Recruitment and Retention

### Staff Quality, Recruitment and Retention Summary

Staff Quality, Recruitment, and Retention

#### High School Staff Quality, Recruitment, and Retention

Santa Maria ISD values hiring and retaining talented and effective personnel. Having 100% of teachers highly qualified and certified is a high priority. Providing high-quality, focused professional development is also important in SMISD. By narrowing the focus, the professional development is more effective. It strengthens the efforts of campus and district administrators and teachers in implementing, monitoring, and evaluating programs. Topics are determined through an analysis of both campus and district data.

August 2019-20 professional development was designed based upon needs determined at the end of the 2018-2019 school year. Those topics included: Teacher Orientation, Data Analysis, Accountability, Inclusion Practices, ELPs instruction, Reading Strategies and Planning from the Instructional Focus Document, SPED/504 Training, and T-TESS Training.

SMISD maintains highly qualified personnel and provides current information to district and campus administrators and the public as required by NCLB. The District actively recruits quality personnel by advertising SMISD website, Region 1 ESC website, and listings at the Human Resources Office, campuses, and participating in job fairs at Region 1 and state universities, depending on needs of the district. Additionally, communication is maintained by providing lists of HQ teachers. Based on need, the District recruits bilingual certified elementary teachers and ESL certified secondary teachers to allow for Master Schedule flexibility to accommodate student growth.

# Comprehensive Needs Assessment

## Staff Quality, Recruitment and Retention Summary (Continued)

Each year, the district studies and proposes revisions to the instructional stipends including those stipends that support the needs of our district in the areas of special population (certified Sp. Ed., Advanced Academics [GT] and Bilingual). The district will continue to provide stipends to teachers who acquire a Master's degree in the field they teach, and to teachers in the secondary science, math, and dual enrollment courses. The District maintains its competitiveness with neighboring school districts. The district also offers a Retention and Perfect Attendance Bonuses.

The District continues its current employee recognition programs: Teacher of the Year, Retirement, Service Awards, and Board Recognition.

## Staff Quality, Recruitment, and Retention Strengths

- Targeted Professional Development
- SMISD actively recruits quality personnel.
- Highly qualified information is disseminated and reported as required.
- Annually, stipends are reviewed, stipend recommendations and changes from campuses and departments considered, and adjustments made to support the needs of the District.
- The District maintains its current recognition program
- Extra duty pay available for tutorials, academics, & (ACE) after school program tutorials.

## Staff Quality, Recruitment, and Retention Needs

- New Teacher Mentor Program

# Curriculum, Instruction and Assessment

## Curriculum, Instruction and Assessment Summary

Curriculum, Instruction, and Assessment

## High School Curriculum, Instruction, and Assessment

Santa Maria Academic Academy utilizes the South Texas Curriculum Project (STCP) in conjunction with the TEKS Resource System for its curriculum which is implemented in ELAR, SLAR, Math, Science, and Social Studies in grades 8-12. In addition, services are provided to Academic Academy students grade 8-12th and credit recovery is offered through Edmentum Plato and Fuel Ed. Campus administrators will be monitoring the implementation of STCP by conducting classroom observations and facilitating professional learning communities.

# Comprehensive Needs Assessment

## Curriculum, Instruction and Assessment Summary (Continued)

The campus utilizes Curriculum-Based Assessments, in tested grades and content areas, developed by the Office of Curriculum and Instruction and Campus Leaders to monitor student progress toward reaching State Standards. Assessments will be administered each six weeks at 8<sup>th</sup> through 12<sup>th</sup> grades. The campus has implemented Weekly Assessments for all grades levels in the areas of Mathematics, ELAR, Science, and Social Studies and CATE classes; along with daily exit tickets. In addition to the district curriculum, Plato is utilized by secondary campuses for credit recovery and accrual purposes to allow students to stay on track for on time graduation. *IStation* is an online reading system which after an initial assessment, provides for a customized path for students to improve reading skills. State and local assessment data is disaggregated by teachers and administrators using the online data management for assessment and curriculum system (DMAC).

Santa Maria High School has on-going partnerships with Texas State Technical College in Harlingen, Texas and Permian Basin College in Odessa, TX via online course work, Texas Southmost College, UTRGV, South Texas Training to pursue dual enrollment opportunities for students attending Santa Maria High School.

The campus provides fine arts opportunities both curricular and co-curricular for students to participate grades 8-12. Secondary 9-12 students may select from art and instrumental (band or orchestra) music also taught by certified fine arts teachers.

### Curriculum, Instruction, and Assessment Strengths

- Standardized K-12 viable, equitable and aligned curriculum
- Scheduled, TEA approved early release staff development days
- Support from (ACE) after school program
- Dual Enrollment Opportunities

### Curriculum, Instruction, and Assessment Needs

- Continual monitoring of online programs to ensure students' success in grade & credit recovery
- Increase efforts to improve students' scores on National Exams (ACT, SAT, AP, etc.)
- Increase CTE course offerings

## School Context and Organization

### School Context and Organization Summary

District Context and Organization

#### High School Context and Organization

Santa Maria Academic Academy is committed to improving the academic performance for all students in the areas of Reading, Writing, Mathematics, Science, and Social Studies with a focus on improving student performance for LEP and Special Education students. The Campus Site-Based Team (SBDM) composed of campus-wide, elected professional staff, parents, community

# Comprehensive Needs Assessment

## School Context and Organization Summary (Continued)

member and business representatives, advise the Board or its designee in establishing and reviewing the District's educational goals, objectives, and staff development needs.

The Campus SBDM utilizes DMAC data, ACT, Accountability Reports, dropout data, retention rates, graduation rates, TELPAS, PEIMS discipline and attendance reports to determine goals and objectives for the campus. The district engages in the Texas Accountability Intervention System (TAIS) intervention activities through the Performance-Based Monitoring Analysis System (PBMAS), which is composed of campus-wide staff and parents. Intervention activities include a data analysis and needs assessment to determine the needs and goals of the campus which are addressed through the Critical Success Factors (CSFs) and the Nine Principals.

The campus will monitor quarterly the progress of the campus improvement plan through principal and coordinator meetings and the campus SBDM.

## District Context and Organization Strengths

- Commitment to improve student achievement

## District Context and Organization Needs

- Monitoring of the district improvement plan
- Collaboration among the different departments- Special Education, Bilingual/ESL, Migrant, NCLB and CTE
- Information on departmental budgets
- Increase CTE course options
- Review, update and improve discipline guidelines and processes

# Technology

## Technology Summary

Technology

### Technology

Education, like many other fields, is rapidly transformed by new technologies. Smart personal devices, easy to navigate databases and ubiquitous connectivity are just a few of the relentless forces redefining the classroom and reshaping how students learn. The Texas Education Agency set forth the Technology Applications TEKS, a set of skills and guidelines, to assist schools in creating curriculum requirements for every course.

# Comprehensive Needs Assessment

## Technology Summary (Continued)

Santa Maria Academic Academy will follow the established four core goals to support the District mission:

1. Provide technology-based solutions which promote and support the instructional needs of teachers and the learning needs of students.
  2. Provide technology-based professional development for staff to enhance and increase effective use of technology tools.
  3. Provide technology-based solutions and support to promote effective administrative use.
  4. Establish and maintain a technology infrastructure that promotes communication and learning for students, staff and the community.
- To meet the above goals, SMAA uses innovative procedures and methods to integrate technology into classrooms' daily instruction. A classroom equipment standard is also followed district-wide. The goal for Santa Maria Academic Academy is equipped with an LCD projector, a high resolution visualizer (document camera), three desktop computers, a workgroup laser printer and high speed access to the Internet. All AA classrooms are further enhanced through the inclusion of new Chromebooks.
  - As part of its commitment for enhancement of student and staff achievement, a technology plan is maintained and updated yearly. An annual review ensures an accurate analysis of district needs. Components of this review include:
    1. comprehensive online (technology related) instructional needs assessment for teachers (also based on Campus Improvement Plan feedback),
    2. a yearly equipment inventory,
    3. completion of the TEA Star Chart by all district teachers.

### Technology Strengths

- Providing filtered high speed internet services to students, staff and visitors district wide using enterprise Mitel managed access points
- Every core content area classroom contains a media system comprised of: high lumen LCD projector (wall or ceiling mount), document camera/visualizer, modern desktop computers, high speed workgroup and printer.
- District level instructional technology coach to provide small group and individualized training and mentoring for teachers and staff.
- District users provided with web based enterprise level Gmail and Google Apps accounts with real time collaboration and document sharing through the use of Google Drive.
- SMISD provides 40 mbps bandwidth (to Internet) for instructional and administrative use.
- Public information infrastructure include: Family access (provides parent access to student grades, attendance, etc.), school to parent messaging with use of Bright Arrow Online Communication Services system for emergency and relevant information (phone call, text and email), district website, and a marquee.
- Technology Coach to provide teachers and staff quicker access to technology needs and support for instructional technology methods.

### Technology Needs

- Purchase additional school owned devices (I-Pads, Chromebooks) to provide more classrooms technology rich content and learning opportunities.
- Additional access points to support bandwidth for additional devices (school owned and BYOD).
- Additional instructional technology specialist to assist in trainings and the implementation of SMISD technology integration plan for each campus.
- Provide teachers/students resources for online textbooks and books to address literacy concerns.
- Provide Science/Math teachers with innovative technology tools and training that focus on initiatives such as flipped classroom, PBL and hybrid learning designs.
- Promote the use of e-learning, mobile technologies, and collaboration through Google's new LMS, Google Classroom.
- Purchase a robust online safety curriculum that allows district technology personnel to monitor usage and delivery.
