

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Joseph Razzano

Joseph Razzano exemplifies the meaning behind the Breakfast of Champions award. Joey's character is strong and his determination to succeed admirable. Throughout the last four years he has challenged himself academically and has earned a remarkable transcript and grade point average. While he has excelled in classes across the board, he has found his true passion in physics. As a senior Joey has a packed schedule and is completing his second AP Physics. Academics aside, Joey is simply one of the nicest students you will ever meet. On numerous occasions I've observed Joey's kindness towards classmates and his willingness to help in just about any situation. I've enjoyed our appointments as we plan for college as Joey always has a witty comment or interesting story to share. Joey's intellect, integrity and work ethic most certainly guarantee a very bright future. Congratulations!
