

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Kathleen Kohn

Katie came to Sayville in her freshman year of high school and immediately made herself at home in the art department as if she had always been here. She is a wonderful young lady with fascinating stories and a deep love for her family and friends. She is a huge help in my classroom, constantly asking what needs to be done and helping others when she is finished early. This has been Katie's way since I met her. I remember her first year in National Art Honor Society, at the end of the SAVA art show, I thought to myself "who is this girl who has been working hard here from 10 to 4? How great is she!" Recently Katie was a guest art teacher at Long Island Head Start. She prepped her supplies, practiced her lesson and engaged with the students during her lesson. She really was a natural! I have always known her to make the right choice, to do her best and to give to others before herself. It is for this reason that I am very proud of Katie and I am happy to call her a champion!
