

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

William Klopp

I chose to nominate William because it is important to me that he recognizes the tremendous amount of progress he has made this year. William stands out to me as someone who has matured a great deal. I came to know William in my 11th grade English class last year, and at the start of this year, I was happy to learn that I would have the opportunity to work with William again; this time in a smaller class environment. William has made substantial improvements this year, and what I observe on a regular basis is William choosing to actively participate in his own learning. What's more, I see him helping others; I see him assisting his peers with patience and attention. I see him smiling in class everyday...and I still see him trying his absolute best. I chose to nominate William because I appreciate his positive attitude, I respect his perseverance, and I am proud of the role model he is for the other students in my class.
