

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Christina Guiffre

While only knowing Christina for a few months, it is clear she is a very special young lady. Not only does she demonstrate consistent effort to excel in my English honors class, her overall demeanor and level of confidence as a freshman is what strikes me most. Christina leaves no stone unturned. Her drive to fully grasp a concept until it is completely comprehensible is quite admirable. I appreciate her inquisitiveness and desire to take risks with her learning. Christina is never afraid to raise her hand in class and offer her opinion when it comes to literary analysis. Christina frequently attends 10th period to receive clarification on a notion covered during instruction, or sometimes, she simply wants to share her alternative perspective with me on the assigned readings. I've enjoyed our conversations during extra help and admire the way in which she conducts herself during each talk we have had. Christina's level of maturity, acceptance of constructive criticism, and overall outlook shows she is way beyond her years. I am proud to see what she has accomplished so far at the high school. She is a true champion, and I am happy to have the opportunity to honor her today.
