

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Joseph DiPalermo

One of the pleasures of teaching seniors is that, at some point during the year, they start better to understand how the world works and the importance of human relationships. They realize that one simply can't go through life perceiving that everyone else is a threat, and that even the slightest acquaintance with another person may bring something positive to one's life. Simply put, Joe DiPalermo gets it. His kindness, his honesty and his openness to new ideas and different people, I hope, will reward him with a lifetime of meaningful human interactions and relationships.
