

SMBA Needs You!

Congratulations on being a parent or relative of a Sayville performing student! Hopefully, you are familiar with Sayville Music Boosters for the Arts, now in its 40th year of promoting all aspects of the arts in our schools. You may have received our mailings, seen our tables at school events, or your child has received one of our many awards. As a non-profit organization run by volunteers, last year SMBA awarded over \$12,000 in grants and scholarships. This year we are implementing new programs that will benefit many more students.

If you have already joined SMBA this year, thank you so much! Your donation is greatly appreciated and will help fund all of our programs. If you have not yet had the opportunity, please consider joining us at whatever level you feel comfortable, using the membership form available in this program. At the \$50 Donor level you will receive two complimentary tickets to our Evening in Celebration.

We are always in need of volunteers to help with the numerous functions we support. Just an hour or two once a year can make a huge difference. Whether it is selling flowers at the plays, snacks and food at Sayville Idol, or tickets at the Evening in Celebration, this would be a tremendous help. The more volunteers we have, the less time everyone has to give!

SMBA hosts General Meetings several times a year in the HS Senior Lounge. All are welcome.

THANK YOU FOR ALL YOUR SUPPORT

OUR TOWN

Our Town is not a picture of life in a New Hampshire village; or a speculation about the conditions of life after death . It is an attempt to find a value above all price for the smallest events in our daily life. I have set the village against the largest dimensions of time and place. The recurrent words in this play are “hundreds,” “thousands,” and “millions.” Emily’s joys and griefs, her algebra lessons and her birthday presents-- what are they when we consider all the billions of girls who have lived, who are living and who will live? Each individual’s assertion to an absolute reality can only be inner, very inner. Our claim, our hope, our despair are in the mind—not in things, not in “scenery.” Molière said that for the theatre all he needed was a platform and a passion or two. The climax of this play needs only five square feet and the passion to know what life means to us.
