

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Christopher Hichborn

Christopher (CJ) is a humble and unassuming young man. CJ is never the most vocal in the room but his presence always makes an impact. Why? Because his kindness and compassion is what shines through. CJ earnestly seeks to help others and to be of assistance. It has been said that the “most important yardstick of success is how you treat other people – your family, your friends, your classmates...and even strangers you meet along the way.” CJ encompasses this ideal. Just ask anyone who knows him. Recently a select group of students were invited to participate in the Siena College Upstander Program against cyberbullying. CJ graciously agreed to be the part of the program even though many of his peers were apprehensive about performing in front of their friends. Although CJ did express that he too was nervous, he knew it was the right thing to do. Therefore, he mustered the courage and completed the task which had a positive impact on the student body. Sayville High School will miss CJ’s optimism and self-sacrificing spirit next year. However, the world beyond Sayville will be a better place because of his presence.
