

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Amanda Passin

Amanda has given up her free time or missed class (which she had to make up) in order to educate her peers about the consequences of using ENDS: Electronic Nicotine Delivery Systems. These devices are increasingly popular among teens, yet as a Peer Educator, she confidently voices her opposition to the tobacco industry which is responsible for manufacturing and marketing these products to young people. Her volunteerism has had a direct impact on the well-being of other students and she has also learned a valuable life lesson: that you can only control your own behavior. She is a passionate role-model and we are so grateful for her participation. #notareplacement!

Given this 15TH day of May, 2018
