

# SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

## Taylor Starr

In my mind, the perfect picture to paint of Taylor Starr includes the huge smile she wears on her face day in and day out. Taylor is a positive young lady of genuine character, and I feel fortunate to have had the opportunity to watch Taylor's determination and work ethic in my classroom. Over the course of the past two years, during our numerous conversations, I have been really able to understand and appreciate Taylor. Taylor's selflessness is rare at her age, and she continues to impress me with stories about her grandparents or the children she babysits. She is a caretaker, and I have personally been at the receiving end of Taylor's compassion and caring, so I know that she has a huge heart. Taylor is a student who stands out among her peers because she has such a strong foundation of morals, and she has yet to discover how influential her positivity is on others. She genuinely cares, and will continue to care, because it's who she is at her core.
