Phase 2

Two-Wing Addition on Jerome High School

Start Date: June 1, 2022

End Date: August 1, 2023

Cost: \$26,400,139

The two-wing addition at Jerome High School includes more than 58,000 square feet of new construction and 11,500 square feet of renovated space. This project will add 30 classrooms to the school, eliminating the need for detached portable classrooms that were previously used to alleviate overcrowding.

Building Envelope Project at Coffman High School

Start Date: June 1, 2022

End Date: December 1, 2023

Cost: \$8,336,914

The Envelope Project at Coffman High School includes all the building components that separate the indoors from the outdoors. Building envelopes include the exterior walls, roof, windows, and doors. Once the project is complete, Coffman High School will have a new main and auxiliary gymnasium roof and new windows and siding.

Modular Classrooms at Abraham Depp Elementary

Start Date: March 24, 2023

End Date: August 1, 2023

Cost: \$2,342,333

Twelve modular classrooms are being installed at Abraham Depp Elementary in order to accommodate rapid enrollment growth. These modular classrooms are a temporary solution while permanent options, including the construction of a fifteenth elementary school, are explored.

Athletic Facilities at Coffman High School and Scioto High School

Start Date: Summer 2023

End Date: April 1, 2024

Cost: \$10,000,000*

Renderings have been approved for new baseball/softball hitting facilities at Coffman High School and Scioto High School. Additionally, Scioto's weight room, press boxes, and Kindness Cafe will be upgraded so that they are more modern, secure, and energy-efficient.

**Approximate cost. Project will be an action item at the June Board of Education meeting.*
