COLUMBUS RUNNING COMPANY

HERE TO SUPPORT YOUR TEAM

Track and cross country are the heart and soul of running as a sport - and the Columbus Running Company is here to support you and your team once again this season.

Here are just a few of the ways that CRC can boost your team this year:

YEAR ROUND DISCOUNTS. *All* student-athletes receive a 10% discount at the CRC, but *track and XC* athletes receive a larger 20% discount at the shops. Just check out under your team's account when you're in the CRC to receive your larger discount.

TEAM DONATIONS. At the same time, CRC donates $10 back to your team for every training shoe bought under the team's account. The window for qualifying purchases is December 1 through March 31 (track) and May 1 through August 31 (cross country).

EXPERT FITTING. We know the sport and we know shoes. We've been named the Best Running Store in America by the Running Industry Association. We've qualified athletes into four consecutive Olympic Trials. Our staff includes former state champs, All Americans, national qualifiers, and school record holders. When you come into a CRC, you'll be fit by someone who understands your sport and the equipment you need, from training shoes to spikes to throwing shoes.

XC CAMP. If you're a distance runner, get a leg up on the competition by joining us each July for the overnight Myers Running Camp, led by sub-4 miler Rob Myers and his brothers.

Visit any of our five locations in central Ohio or find us online at ColumbusRunning.com. We're here to make that next mile better.

You can find details on all of our track and cross country initiatives at
