

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Evan Geffner

Evan Geffner has volunteered to work in the school store for three years now. He is a very responsible and thoughtful young man. Evan is attentive to the students to whom he is working with in the school store and will assist them whenever they need it. He also helps out the adults who run the school store and is the quintessential team player. Evan will physically come to the school store to alert us if he is unable to be there that day. The students in the FACD program look up to Evan as a role model and friend. He makes them feel that they accomplish all tasks, even the ones that are challenging and more demanding. I have always noticed that Evan is up for anything and never complains about the work set before him. He is an invaluable member of our team and constantly strives to achieve above and beyond any and. I have been proud to know Evan and to have worked alongside such a fine young man.
