FALL GROWTH ASSESSMENTS

Your child recently took the Reading 6, 7, or 8 Growth Assessment and/or the Math 6, 7, or 8 Growth Assessment. These tests were administered to help teachers determine which concepts students have mastered, in order to help them plan their instruction. Although these tests are not graded, students' scores were placed in their Reading and/or Math teachers' Synergy Gradebooks.

The following website will help you interpret your student's score(s):

<https://www.rcps.us/Page/4524>.

Please contact your student's teacher(s), should you have any questions.

Should you ever have any questions about SOL testing and/or Growth Assessments, please contact:

Brett Newman, CSMS Testing Coordinator/Instructional Coach @ 540.562.3900 Ext. 61152 or via email @ bnewman@rcps.us
