

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Carmella Perrone

Early in the year, when we were working on college essays, I was immediately impressed by Carmella, for she told a compelling story of being bullied in earlier grades. Like so many others, Carmella struggled with finding her voice and speaking up for herself. But eventually she did. Not only did she take action within our school, but Carmella joined the Long Island Coalition against Bullying as a student ambassador who speaks out against bullying. As the year continued, I grew to respect Carmella even more. Plagued by a nagging ankle injury, Carmella was absent more than she would have liked. In fact, because of an operation, Carmella missed over two weeks of school. Before the operation, Carmella asked what work she was missing and while she was home, she regularly texted with me via Remind, asking questions so she could keep up with the work. When she returned, Carmella was caught up within days. I know I can count on Carmella to always do the right thing and that is worthy of celebration!
