Cover	Carly Cangelosi

You Will Be Found#

#

Have you ever felt like nobody was there?#
Have you ever felt forgotten in the middle of nowhere?#
Have you ever felt like you could disappear?#
Like you could fall, and no one would hear?#
So, let that lonely feeling wash away#
Cause maybe there's a reason to believe you'll be okay#
'Cause when you don't feel strong enough to stand#
You can reach, reach out your hand#

#

And oh, someone will coming running#
And I know, they'll take you home#

#

Chorus#
Even when the dark comes crashing through#
When you need a friend to carry you#
And when you're broken on the ground, you will be found#
So let the sun come streaming in#
'Cause you'll reach up and you'll rise again#
Lift your head and look around#
You will be found... #

#

There's a place where we don't have to feel unknown #
And every time that you call out you're a little less alone #
If you only say the word from across the silence your voice is heard #
Oh, someone will come running to take you home... #

#

Chorus#

#

Out of the shadows the morning is breaking#
And all is new, all is new#
It's filling up the empty#
And suddenly I see that all is new, all is new#
You are not alone#

#

Chorus#
You will be found#

We're Off to Middle School#

#

We're leavin' Cherry#
Whether or not we are ready, you and me#
We're movin' steady, yeah#
And all our teachers are very happy#

#

Chorus#
We've been dancing through the halls, and just havin' a ball#
Make the most of it all, can't get enough#
The work has become a pain, there's enough inside my brain#
And you can tell that it's obvious -#
We're off to Middle School #
We'll take the memories we made here at Cherry.#
We're off to Middle School, yeah#
On Johnson Avenue, that's where you will find me#
We're off to Middle School...#
And you know that it's true (it's true) it's true (it's true)#
We're older and wiser and finally moving on through. #
It's true, We're off to Middle School, #

#

We learned our letters,#
Yeah, we got better and better at reading#
And mathematics, yeah#
Multiplication - we are tired of repeating! #

#

Chorus#

#

Our education#
Needs to be paused for vacation, asap.#
No aggravation, yeah#
The work is done, now it's time to get silly.#

#

Chorus

#

We're off to Middle School#
We're off to Middle School#
