## 2018-19 Fifth Grade Students

### Have It All

May you have auspiciousness and causes of success, may you have the confidence to always do your best, may you take no effort in your being generous, sharing what you can, nothing more nothing less. May you know the meaning of the word “happiness,” may you always lead from the beating in your chest, may you be treated like an esteemed guest, may you get to rest, may you catch your breath. And may the best of your todays be the worst of your tomorrows, woah. And may the road less paved be the road that you follow, oh. Refrain:

Well, here’s to the hearts that you’re gonna break, here’s to the lives that you’re gonna change, here’s to the infinite possible ways to love you, I want you to have it. Here’s to the good times we’re gonna have, you don’t need money, you’ve got a free pass, here’s to the fact that I’ll be sad without you, I want you to have it all.

Have it all, I want you to have it all. I want you to have it all. I want you to have it all.

May you be as fascinating as a slap bracelet, may you keep the chaos and the clutter off your desk, may you have unquestionable health and less stress, having no possessions though immeasurable wealth.

May you get a gold star on your next test, may your educated guesses always be correct, and may you win prizes, shining like diamonds, may you really own it each moment to the next.

And may the best of your todays be the worst of your tomorrows, woah. And may the road less paved be the road that you follow, oh.

*Refrain*

Oh, I want you to have it, oh, all you can imagine, oh, no matter what your path is, if you believe it than anything can happen. Go, go, go, raise your glasses, go, go, go, you can have it all----. I toast you!

*Refrain*

## Sunrise Drive You Are The One

Sunrise Drive, you are the one.  
You will always be in my heart  
You're the place where I first got my start.

Sunrise Drive, you are the place  
Where all my memories began.  
You have guided me and taken my hand.

From the start, right to the end,  
A helping hand you always lend.  
Through the smiles and through the tears,  
You have been there all these years.

Sunrise Drive, I won't forget  
All the friends and people I have met.  
You have helped me to learn and grow.  
You have helped me to learn and grow.

## We Won't Stop Dreaming

Here we are, living in the moment. Here we are, dreaming  
in the open.

Look around. Isn't this a new day? Make a move. Doing  
things a new way, a new way.

*Refrain:*

'Cause this is our world. And this is our time. These are our  
plans. We're gonna let 'em shine. And this is our place in  
the human race. And we won't stop dreaming. No we  
won't stop dreaming.

Look ahead we can see forever. Forever. You and me, doing  
it together. Together. Light it up. We can be a million stars.  
Look at us. Don't you see we've come so far? Yeah, we've  
come so far.

*Refrain*

Standing at the crossroads, feeling how the wind blows.  
We can soar above the clouds. Every moment is a heartbeat.  
Every breath feeling so sweet. Who can say what happens  
now?

*Refrain*

This is our world. Our time. Our plans. Let 'em shine. Our  
place. Human race. And we won't stop dreaming. No we  
won't stop dreaming. We won't stop dreaming.
