

SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

Casey Pascarella

It is with great pleasure that I write this letter that recognizes Casey Pascarella for the Breakfast of Champions. When thinking about who I could nominate, only a few names came to mind and it was easy to put Casey at the top of the list. Casey has been a student of mine this year in Algebra and is always prepared for class with her homework and participates often. To be perfectly honest, Casey participates more than often, in fact she participates so much that I have had to say “please put your hand down because I have to get other students involved in the class – you can’t answer every question!!” How crazy does that sound? But, it’s true! Casey has a love for learning and I couldn’t be happier with her as a student. She always has a smile on her face and is courteous to her classmates and faculty members as well. I have to say that I have never seen Casey in a bad mood. She always has a positive attitude. Another characteristic about Casey that is so admirable is that she has been consistently on top of her work from the first day of school. Casey never takes a day off. Some students go “on vacation” as I like to say from time to time. Some for a few days, some for a week or more but not Casey! She’s on top of her game all the time! I want to share with you that a saying Mrs. Makris has at the end of her emails which I love and often repeat. It simply states “Talent is a gift but character is a choice.” Casey displays her character every day by the way she conducts herself. I think that the great thing about Casey is that she doesn’t even realize it. Casey just goes about her business in a very mature way everyday which is certainly a reflection on her parents who have molded her into the fine young woman that she is. She just seems to do the right thing all the time and does it as if nobody is watching. Well, I’m here to tell you that I noticed and I couldn’t be more proud of her! I strongly feel that Casey is a worthy recipient of this recognition and I extremely fortunate to have been able to get to know her as a student in my class. Casey is a valuable asset to our school and community and is loved by everyone here at Sayville High School. Casey has an incredibly bright future ahead of her!!
