## Nicholas Rampulla

Some students just know how to make your day a bit brighter. Whether it's participating fully in class, getting up on a stage or out on a field, or working behind a camera and computer screen to provide us with great entertainment. Nick Rampulla is one of those kids. A true team player, Nick has brought his imagination and vision to us with the establishment and early success of Sayville Student Films, where he encourages his casts and works diligently to ensure excellent scripts and enjoyable products. As an actor and member of the Sayville Players student theatre organization, Nick's comedic timing is impeccable and he reliably hits his mark, every single time.
