

# SAYVILLE HIGH SCHOOL BREAKFAST OF CHAMPIONS

THIS CERTIFICATE IS AWARDED TO:

## Jordan Weber

If you know, Jordan, you know she has an incredible personality and the ability to light up any room she enters. She not only does extremely well academically in my math class, but she has done so continuously all year while fighting side effects of a concussion in the fall from athletics. Jordan is loud, outgoing, hilarious and a diligent worker. One day she came to class and told me she wrote a song about our class and geometry. She then proceeded to have a microphone and the music and performed it for the entire class. While she may be considered a class clown of some sort, she also is an active participant in daily lessons and helps other students who may need it. I am and continue to be impressed with all that Jordan does both in and out of the classroom.
