

LOGGING INTO YOUR RCPS LAPTOP AND CONNECTING TO YOUR HOME NETWORK

Step 1: Power on Laptop and Acknowledge the AUP Info

Open the laptop and press the power button in the top right corner.

At the screen below: Press **Ctrl + Alt +Del** keys at the same time.

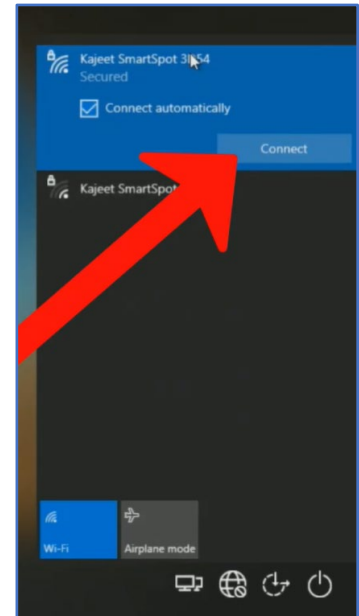

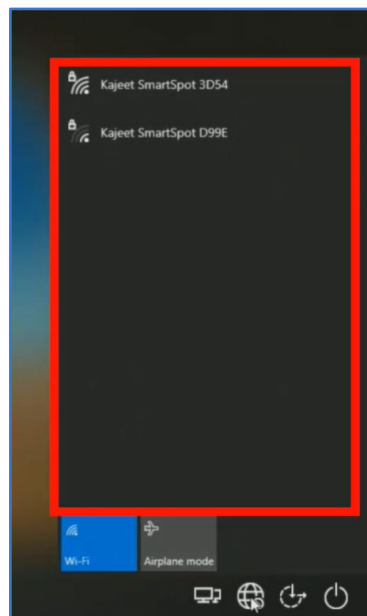

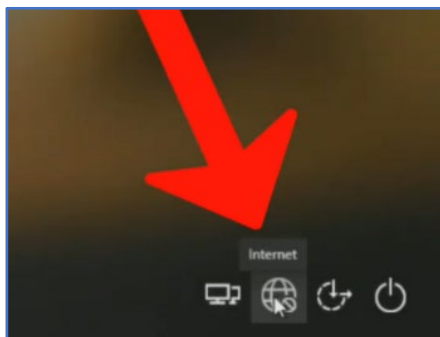

Click **OK** to accept the AUP Information

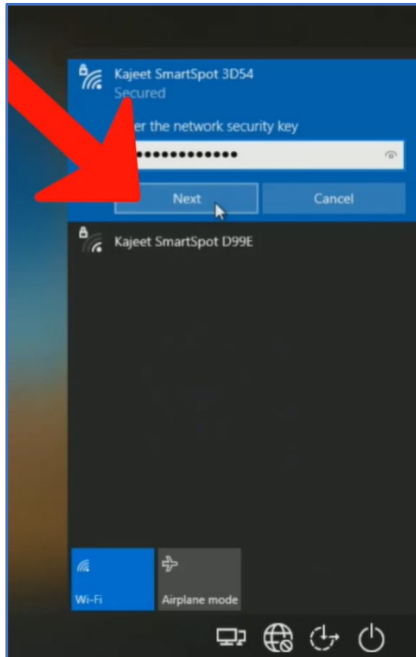

Step 2: Connect Your Home Network

Click on the **Internet Icon** in the bottom right of your screen.

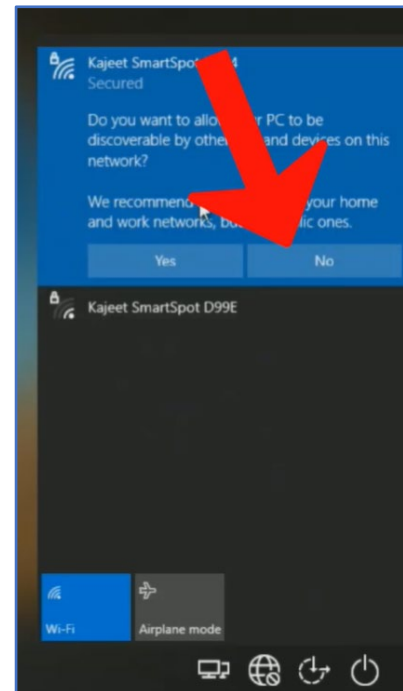

From the list of available networks, **choose your home Wi-Fi network** and click **Connect**.

Enter the **Wi-Fi password** for your network and click **Next**.

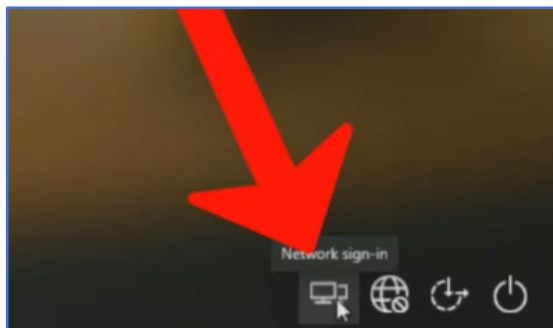

Click **No** on the next prompt.

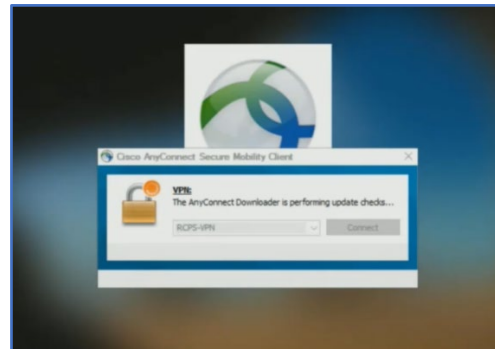

Step 3: Connect to the VPN

Click on the **Network Sign-in** Icon.

Allow time for the connection to happen.

Step 4: Sign into the laptop

At the next screen select **Other User** and enter your username and password.

username=First Initial,Last Name, Last 4 digits of your Student Number

password=

9th grade will use Laptop2020 for the password and then be prompted to change the password.

10th-12th grade will use the same password as last year.

Now you are ready to use the laptop!
